ROSETTE CUTTER SYSTEM

Carbide Tipped

- The only Rosette Cutter featuring replaceable carbide tipped insert knives
- Fifteen different standard knife profiles are available along with three sizes of blank knives for custom grinding
- Optional shaper cutter head available to make matching moldings
- Precision balanced for high speed operation on a heavy-duty drill press, milling machine, lathe or shaper. All cutter bodies are manufactured using the highest quality tool steel
- The Rosette Cutter works well in softwoods, hardwoods, MDF and solid surface materials such as Corian®, Gibraltar®, Surell®, etc

NOTE: You must order two of each of the selected knife for proper operation.
