EVOLVED[™]

Smart Never Looked So Beautiful

Experience the bold evolution of luxury hardware with Baldwin Evolved, the next generation of smart handlesets and deadbolts blending exquisite architectural designs with Kevo technology.

Touch-to-open Bluetooth technology and key fob access offers convenience and peace of mind.

Easy-to-use app provides eKeys for remote access, real-time access history and remote unlocking abilities.

Evolved connects through advanced bridge technology allowing users to easily open and close doors via their smartphone and the Kevo mobile app.

The Ultimate in Style & Technology

Beautiful Aesthetics. Solid
Brass. Iconic Style. Smart
Lock Technology.

Palm Springs Full Escutcheon
Handleset in 060 finish

Bold Evolution of Luxury

Baldwin Evolved is a premier collection of hardware that delivers an electronic solution designed to exceed the luxurious architectural standards of Baldwin customers.

Control Baldwin Evolved Locks From Anywhere.

Available for iOS & select Android devices, the smart lock app controls Baldwin Evolved right from your smartphone or tablet. Grant access with eKeys and monitor who is locking and unlocking. Quality is evident in the array of bold designs and finishes available today.

Everyday Use

Built for versatility, eKeys are perfect for your family because they can be reassigned from person to person as an anytime or a scheduled eKey.

24-Hour Access

Give your guest unrestricted access to your home for 24 hours. Guest eKeys can be resent to anyone as needed and after a 24-hour period, they will automatically be deleted.

Time-Fencing

With pre-set day and time limits that you control, the scheduled eKey is perfect for regular visitors, like dogwalkers, house-cleaning services, or repairmen.

Luxurious Architecture

Evolved blends the best of luxury hardware with touch-to-open technology. Customers can choose from 18 finishes and 18 styles, intermixing them for an easily customizable style.

Connect Your Baldwin Evolved Smart Lock To a Growing List of Smart Home Devices
