

Kick Plates by **BRASS** SOLID BRASS *Accents* [®] INC.

New Products New Finishes

Anodized and PVD finishes are now offered by BRASS Accents, Inc.

Anodized finishes make aluminum a premium choice in thousands of consumer and commercial uses.

BRASS Accents Inc. is now taking advantage of this electrochemical process that is durable, corrosion resistant and great looking. Available now in select colors and finishes.

PVD coating is yet another option offered at **BRASS Accents Inc.** PVD coating is a tough, abrasion resistant, durable finish with high impact strength. All items ordered with PVD or Powdercoat finishes have a lifetime warranty. Available now in select colors and finishes.
