

Heavy weight cast aluminum platters and durable Melamine under-liners

Our platters are:

- 0.23"-0.29" thick.
- Durable and maintain temperature (hot or cold) for a long period of time.
- Attractive mid-burnished, pebbled, finish.
- Designed to sit inside their respective under-liners with an airgap to further maintain temperature.
- Heat resistant to 400 degrees F.
- Offered in various sizes and shapes.
- Ideal for sizzle, Saganaki, dessert and many other dishes.

Rectangular Platter: 8.5"x"12.25"
