

61A00-1

Omni Security Systems

Brand Features

Omni Wireless Security Sensors not only protect you from intrusion and other hazards, they act as the eyes and ears of your automated home or business. For instance, utilize the sensors to know whether or not a window is open upstairs and have the automation system turn off the HVAC in that area. Utilize a wireless driveway sensor to notify you when a guest has arrived or illuminate exterior lighting.

Item Description

Wireless Glass Break Detector.

UPC Code: 87225700327

Country of Origin: Please Contact Customer Service

Features and Benefits

- An omni-directional acoustic sensor and wireless transmitter
- Used for detecting the sound of breaking glass, providing 360° of coverage
- Uses a CR23A lithium ion battery, included
- This Glassbreak Window Sensor transmitter requires the use of a Leviton 64 Zone Wireless Receiver (HAI Part Number 45A00-1).
