Description

Talk-A-Phone's ETP-MT/R Emergency Phone Tower is an ideal security solution for remote and high-risk areas. Standing over nine feet tall, this vandal-resistant tower serves as a great deterrent to crime. An always-lit LED Blue Light mounted atop the tower provides high visibility and gives passers-by a sense of security. Emergency call can be placed with a simple push of a button. At the same time, the LED Blue Light begins to flash, attracting attention to the location. The Emergency Phone faceplate is illuminated at all times for clear visibility during the night.

Talk-A-Phone's ETP-MT/R Emergency Phone Towers offer greater deployment flexibility with wireless, solar, surveillance and day/night charge options. They are often used at university and college campuses, parking facilities, shopping malls, medical centers, industrial campuses, transit facilities and remote areas.

Features

- ETP-MT/R tower offers contemporary architectural styling and even greater visibility than standard tower due to it's larger size and radius corners
- Attention-getting LED Blue Light is included and mounted atop the unit. The LED Blue Light is continuously lit and flashes for duration of a call when "EMERGENCY" button is pressed to draw attention to the unit
- LED Blue Light is housed in a protective polycarbonate housing (except OP4, OP5)
- Emergency Phone faceplate is illuminated at all times by an LED Panel Light
- Vandal-resistant structure and coating designed to resist extreme weather conditions
- A variety of signage, graphics and color choices are available
- ADA-compliant

Specifications

Dimensions (W x D x H):		12.0 x 10.0 x 108.0 in. (305 x 254 x 2743 mm) with 2 in. radius corners
Weight:		340 lbs. (154 kg)
Construction:		0.25 in. steel
Coating:		High-gloss, multi-layer, corrosion-inhibitive system with resistance to UV-fade and graffiti protection
Colors:		Safety Blue is standard. Available in custom colors.
Signage:		3.25 in. high reflective white "EMERGENCY" lettering with wide-angle visibility is standard. Available in custom colors, lettering and graphics.
Lighting:	LED Blue Light:	209 lumens peak, 78 flashes per minute, 70% of initial lumens after 50,000 hours of operation
	LED Panel Light:	Ultra bright LEDs, 50,000 hour lifetime
Power:	LED Blue Light:	7.8 watts, 120VAC 7.8 watts, 12-24VDC/24VAC
	LED Panel Light:	1.2 watts, 12-120VAC/DC
Mounting:		Mounts into concrete foundation using included hardware (shipped in advance). Mounting options available for pre-poured parking decks.
Compliance:		CSA Certified to UL Standard 60950
Warranty:		5-year warranty on tower (2-year warranty on electronics)
