CAT. NO.	FINISH
<b>D334A</b>	Satin Anodized

Minimum order: 1 each.

## CRL Mounting Lug

- For Mounting Gibraltar Series Custom Showcases to Base or Cabinet Top

The D4000 Series Custom Gibraltar Showcase can be mounted directly to a base, cabinet or table top, making use of the existing finish on the base or cabinet surface. The Mounting Lug inserts directly into the Front and Rear Uprights, and is then attached to the mounting surface with the included screws.

CAT. NO.	FINISH
<b>D3056A</b>	Satin Anodized

Minimum order: 1 each.

## CRL Showcase Leg

- Raise Your Custom Showcase as Much as 6"

CRL Showcase Legs are easily installed into a wood base to raise your custom showcase 6" (152 mm) off the floor. Can also be cut down if desired. These satin anodized finish legs have built-in levelers which provide 1/2" (12 mm) of adjustment. Other finishes are available on special order.

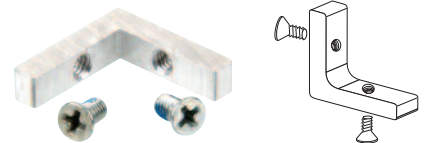

CAT. NO.	FINISH
<b>D290A</b>	Satin Anodized

Minimum order: 1 each.

## CRL Corner for Framed Doors

- Used When Fabricating Hinged Doors for Custom Showcases
