

CRL Dry Pressurized Fire Extinguishers

- Three Easy-to-Use Sizes
- For Class A, B or C Fires

Smother fires quickly and safely with our CRL Dry Pressurized Fire Extinguishers. Several easy-to-use sizes are available for your shop, office, home or vehicle. All have sturdy steel cylinders with pressure gauges, and are rated to fight Class A, B or C fires.

CAT. NO.	SIZE
2025AV	2.5 Lb.
FB500	5.0 Lb.
2100AH	10 Lb.

Minimum order: 1 each.

CRL Safety Cones

- Fluorescent Orange Color
- Available in Two Sizes

Our CRL Safety Cones are used to channel or barricade vehicle or pedestrian traffic around job sites or your parked truck. Fluorescent orange color Safety Cones are 100% soft and flexible PVC with UV Stabilizers to minimize color fading. Color cannot chip or peel. Performance tested from 10°F to 150°F. Will return to and retain original shape after repeated impact; practically indestructible.

CAT. NO.	HEIGHT
ES17618	18" (457 mm)
ES17628	28" (711 mm)

Minimum order: 1 each.

CRL Water Resistant Flashlight

- Water Resistant
- High Intensity Bulb

Our Water Resistant Flashlight has a powerful and very bright high intensity bulb. This flashlight comes with a shatterproof lens and a special parabolic reflector which focuses the beam into a very bright intensified point. Works with four "D" batteries, which are included. The impact resistant casing measures 7-1/8" long by 4" wide (181 by 102 mm). Minimum order is one each.

CRL Safety Vests

- Available in Two Highly Visible Colors

CRL's Safety Vests are lightweight with highly visible green or orange polyester mesh and feature an adjustable front closure with hook-and-loop material. Each Vest includes a 2" (51 mm) reflective stripe on both front and back for increased visibility or night work. Maintains brightness even after 25 washings.

CAT. NO.	COLOR	SIZE
SV2GMLG	Green	Large
SV20MLG	Orange	Large
SV2GM2X	Green	2X
SV20M2X	Orange	2X

Minimum order: 1 each.

CRL Safety Tapes

- Weather Resistant, High-Visibility Tape

Caution Tape

Flagging Tape

CRL's high visibility Caution Tape or Flagging Tape are perfect for keeping spectators at a distance or marking off work sites. Both Tapes are made of weather resistant vinyl and the bright fluorescent colors provide easy-to-see barriers, even from a distance.

CAT. NO.	DESCRIPTION	WIDTH	ROLL LENGTH
BT300	Caution Tape	3" (76 mm)	300' (91.4 m)
FT150GO	Flagging Tape	1-3/16" (30 mm)	150' (45.7 m)

Minimum order: 1 roll.

CRL Heavy-Duty LED Flashlight

- High Performance and Durability

Everyone needs a super-bright dependable flashlight to keep in your tool box, truck, or clipped to your belt when on the job. CRL's Heavy-Duty Aluminum Flashlight has a premium LED bulb that produces a combination flood and spot beam through a tempered glass lens which resists impact and scratches. The hex head design keeps the light stationary and the anodized aluminum grip pattern resists corrosion and crushing. The O-ring seals provide moisture protection. Requires one AA battery (not included). Dimensions are 4-5/16" x 3/4" (110 x 19 mm). Minimum order is one each.
