Patented.

Application – Allows two or three point locking for standard or wardrobe double door cabinets.

Operation – Secures doors with deadbolt or cam locks. Either door can be closed at anytime.

Finish – Black (shown) or White.

Packaging – Kits include parts below and mounting instructions.

CATCH ON THE SECOND DOOR ACTS AS A SLAM LATCH AND DOES NOT REQUIRE REACHING INTO THE CABINET TO RELEASE

SIGNIFICANT ENGAGEMENT BETWEEN THE CATCH AND LATCH INCREASES SECURITY

SLAMSTRIKE

- Helps prevent damage if doors or drawers are closed with the lock in the latched position
- Mount either vertically or horizontally
- For new and retrofit applications (lock sold separately)
- Can be used with multiple drawer locking systems
- Fits within a 1/2" drawer slide clearance
