Pile (Commercial No Fin)

DS8635-360G 3/8" wide backing - 1/4" grey pile height no fin

DS8625-430G 7/16" wide backing - 3/16" grey pile height no fin

DS8635-430G 7/16" wide backing - 1/4" grey pile height no fin

DS8645-430G 7/16" wide backing - 3/8" grey pile height no fin

Above commercial pile seals do not fit into the DS369A T-Slot extrusion.

DS7530-250BL 1/4" wide backing - 1/4" black pile height no fin

DS7530-250G 1/4" wide backing - 1/4" grey pile height no fin

DS7530-250W 1/4" wide backing - 1/4" white pile height no fin

» High performance pile with a solid center fin barrier provides maximum resistance to air, water & dust infiltration.

» Recommended pile compression 10%.

» Excellent performer in sliding applications.
