

Z RocYork

Door Hardware

The combination of premium quality door furniture and contemporary interior styling is defined in RocYork®, authentic door hardware for the EzyJamb system. The RocYork range of functional door furniture integrates seamlessly with all facets of the EzyJamb door system to create that flush finish.

RocYork Concealed Hinges

Make your door hinges disappear with the all new RocYork concealed door hinge from EzyJamb. This revolutionary architectural breakthrough will allow uninterrupted clean lines around internal doors for the ultimate square-set interior.

Check out some of the features and benefits of the RocYork concealed door hinge from EZ Concept.

Features

- No visible barrel or pin
- Maintenance free bearing mechanism
- Aesthetically pleasing hinge covers

No-Ha Door Handles

The RocYork® No-Ha 2.0 is the next evolution in door handles.

Integrating door handle and magnetic lock in one box; RocYork No-Ha 2.0 enables doors to be opened and shut whilst completely concealing the handle providing the same finish as the door and walls.

RocYork No-Ha 2.0 is part of the RocYork No-Ha collection, which includes the RocYork No-Ha Slide for sliding doors, RocYork No-Ha for drawers, cupboards and other accessories such as plates, WC handles (possible with No-Ha Nm 937).

The RocYork No-Ha cover plate is interchangeable so that it can be made to match the finish of the door panel. Also available in MDF or brushed stainless steel, the No-Ha handle has a solution for all interior appearances.
