Technical drawing of a bracket with dimensions in inches and millimeters. The main view shows a bracket with a vertical leg and a horizontal leg. The vertical leg has a total height of 90 mm (3 9/16"). The horizontal leg has a total width of 100 mm (4"). The horizontal leg is divided into three sections: a 10 mm (3/8") section on the left, and two 35 mm (1 3/8") sections in the middle. The vertical leg has a 27 mm (1 1/16") section at the top. The bracket is made of 1.25 mm thick material. A hole with a diameter of 4.5 mm is located in the horizontal leg. A detail view shows the end of the vertical leg with a width of 5 mm (3/16") and a hole with a diameter of 3 mm (1/8"). The material is labeled M8 x 1.25.
