

HAWA Angle Profile

- For Junior 40, Junior 80 and Junior 120 upper tracks
- Supports door weights of 40, 80 and 120 kg (88, 176 and 264 lbs.)
- Elegant design with almost invisible mounting
- Continuous profile for simple leveling
- Easy and fast to install with the attachment screws
- Drilling of upper track and angle profile is not required
- Additional support structure is not required
- Upper tracks and fitting sets have to be ordered separately

- For wall mounted sliding door applications with Junior 40 upper tracks
