

# FIRE EXTINGUISHER ACCESSORIES

# COMPLETE SELECTION OF FIRE EXTINGUISHERS AND ACCESSORIES ALL IN ONE PLACE!

Where you'll find all of the right parts you need to sell, service, inspect, and properly maintain fire extinguishers.

## IN THIS CATALOG

We have chosen the right mix of parts and accessories to help Fire Extinguisher Sales and Service Professionals do their job and do it right.

## WHY THESE PRODUCTS

Because you care about the quality of your work, as well as your reputation, it is critical that the products you use work. More importantly it is critical that you follow the guidelines of the service manual of the fire extinguisher you are installing, servicing, or maintaining to ensure proper compliance.

## WE MAKE THE DIFFERENCE

In addition to the best supply of parts and accessories, you're guaranteed unmatched customer service - before and after the sale. You're never just a number at Heiser, you're our partner. That entitles you to perks like:

- Competitive Pricing
- Free-Freight Options
- Same-Day Shipping
- Real-Time Customer/Tech Support
- And No Minimums – Ever!

PART # INDEX

**Customer Satisfaction**

You the customer are important to us and your satisfaction is our primary goal. If you are not satisfied with our service or our products, please call and talk with us and we will do our very best to address your concerns.

**Terms**

Our terms are Net 30 days from invoice date to open credit approved accounts. All other accounts will be shipped on a COD or credit card basis only. We accept American Express, Discover, MasterCard and Visa credit cards only. We do not accept any third party checks or third party credit cards as method of payment. Any drop shipments made direct to the customer of a COD account must be paid by credit card. A service charge for returned checks is imposed at the rate of \$25.00 for the first presentation and at \$50.00 for subsequent presentations. Any account with two returned checks in a 12-month period will be placed on a money order, certified/bank check or credit card only status.

**Pricing**

All prices, quotations and specifications are subject to change and we reserve the right to discontinue the sale of any item without prior notice. We accept orders only at current prices in effect at the time an order is placed and will not be bound by expired quotes or price lists. The possession of this or any other Heiser Logistics publication, by any person, is not to be construed to be an offer to sell them

or anyone else, the goods listed herein, at the prices stated.

**Shipping**

Sales are FOB, point of shipment, unless prior arrangements are made. We will ship by the most economical means possible, from our nearest warehouse, unless you authorize a specific routing. Routing of all subsidized freight programs is wholly at the discretion of Heiser Logistics. We will be happy to ship by our customer's preference, but all such shipments will be excluded from any available freight incentive programs. Please note that our packing lists are non-priced.

**Returns**

If we make a shipping error and a product or entire order has to be returned or exchanged, we will correct the error and absorb any freight charges associated with the error. All other returns must accompany a return authorization number which will be issued by our Partner Support Specialists. Unauthorized, COD and Special Order returns will not be accepted.

**Minimum Billing**

We do not have a minimum billing amount, however, certain annual purchase requirements may affect the ability for an order to ship on open terms.

**Express Warranty**

Heiser Logistics warrants to Buyer that the Goods, at the time of delivery, shall be free of material defects resulting from inferior materials or workmanship and

shall comply with all written specifications that Heiser Logistics provides to Buyer, with respect to the Goods on or before delivery. No Agent, Sales Representative or other employee of Heiser Logistics shall have any authority to modify or expand this express warranty in any way. Specific warranties issued by the manufacturer may vary. Call us for more detailed information and a copy of our limited warranty.

**Disclaimer of Warranties**

Except as expressly provided above, Heiser Logistics makes no warranty or representation of any kind, either express or implied, as to the Goods, and in particular disclaims all warranties: (A) as to the design, quality or condition of the Goods; (B) as to the material, equipment or workmanship in the Goods; (C) as to merchantability or fitness of the Good for any particular purpose; (D) as to the suitability of the Goods for Buyer's purposes or the impact of the Goods on Buyer's operations; or (E) with respect to any patent, copyright, trademark, trade name, service mark or proprietary law or right. Heiser Logistics makes no warranty or representation regarding the performance that the Buyer or any other person or entity may obtain from the Goods.
