

PUSH & PULL BARS AND SETS

DESCRIPTION

These institutional style push bars are made to order for your door size. Push bars are normally surface mounted and pull bars are normally thru bolt mounted. Sets are thru bolted through the push bar and door and then into the pull bar.

Other combinations available - contact customer service.

MATERIAL

Aluminum, brass, bronze, stainless steel

METAL FINISHES

Available in standard architectural finishes.

Special Metal Finish

Most models available in US323SS or US32DSS performance finish. See page 1. Models with asterisk * available in antimicrobial finish. See page 1.
