# Key Tower

The Jet **7001 Key Tower** is the perfect way to merchandise your key duplicating services to your customers.

The eye-catching header towers 40-inches above the counter, making it easily seen throughout your store.

Featuring 342 hooks, it allows for quick and easy selection of keys for duplication.

Preprinted hook location cards slip behind the hook racks for easy key blank placement, retrieval and effective inventory control. An easily accessed storage door in the tower provides for convenient key blank storage inside the tower.

Our key machines, ordered separately, fit neatly into the base stand, providing an attractive, self-contained key duplication center utilizing only 2 square feet of counter space.

**Size:** 20" wide X 39" high X 17 1/2" deep

Front cut-out height: Approximately 10"

## **Tower panels 7001-PC**

Four colorful panels with preprinted key location numbers.
