Suggested installations for wide windows, using 1-1/4" square tubing, available from Macklanburg-Duncan and others. Recess Mounting, as shown in Fig. 1, uses 2 each #1130-CPMB Mounting Brackets. Surface Mounting, as shown in Fig. 2, uses screws driven through tubing into window framing wall studs, without using the #1130-CPMB Mounting Brackets.

Note: If desired in either example, window guards can be mounted from both left and right sides to cover entire window.
