Dual Door Series

Features a pan door construction for inset european hinge design. Door operates without the use of magnetic closure, this hinging arrangement allows for six way door adjustment. The cabinets are equipped with rubber door silencer pads. Fixed metal shelves are provided with the same gauge and finish as the cabinet body. All cabinets are 5 1/4" deep from face of door to the wall.

Specifications: Dual Door Series Cabinets are fabricated with 20 gauge white baked enamel steel bodies, doors and shelves.

Mirror/door: 3/16" first quality plate glass. Pan doors are equipped with cabinet style hinges to allow six way adjustment. Door thickness is 3/4" on all models.

Special sizes are available upon request.
