Heavy Duty Indoor/Outdoor Mounts

MT9207, MT9214, MT9224, MT9216 MT9222, MT9227, MT9228 MT9225, MT9226, MT9234, MT9235, MT9237

Aigis offers a variety of heavy duty mounts designed to hold pan/tilts and large housings. All units are made of a lightweight aluminum alloy with a corrosion-free exterior coating. These products meet the Military Salt Atmosphere Standard MIL-STD-810E, Method 509, Procedure I. The column and wall mounts feature welded construction providing an extremely rigid camera mount one-third the weight of steel.

Installation of a wide range of devices is facilitated with generous wrench and socket clearances. Unique slotted mounting hole patterns are on the mounting surface.

SPECIFICATIONS

MOUNTS AND ACCESSORIES

MODEL	DESCRIPTION	SIZE	MAXIMUM RATED LOAD	WEIGHT	FINISH	FOR USE WITH
MT9207	column mount	7-inch (178 mm)	Upright: 200 lb (90.6 kg) Inverted: 100 lb (45.3 kg)	3.5 lb (1.6 kg)	light gray	medium duty or heavy duty assembly
