DL-150 DOOR LIFTER

Removing a door from its frame has never been easier when using our DL-150 Door Lifter! In just a few easy steps, the door is lifted & swiveled out of the way on a ball-bearing base. Say goodbye to the days of using crossed chisels, screwdrivers or anything else that wasn't designed specifically for this sort of task. The DL-150 has a textured foot pedal to prevent slipping & a cushioned base to protect the floor surface. American-made, the DL-150 is built to last!
