McKinney Architectural Hinges

ASSA ABLOY

The global leader in
door opening solutions

Dedicated to producing top quality hinges since 1864, McKinney Products are designed to suite with doors and hardware from the ASSA ABLOY Group brands. These commercial decorative hinges open up a whole new world of design options for your door opening.

DECORATIVE TIPS

It's all about details, details, details. Even the smallest accessories matter. Dress up your hinge by adding decorative tips to enhance your design. Available for the two or three knuckle hinge, in flat, round, grooved or lined, these tips will give the finishing touches to your decorative suite.

The cleanest of all hinge types. The two knuckle hinge is simple yet sophisticated.

Two Knuckle Hinge

- TA2731 - full mortise bearing hinge, standard weight, medium frequency doors, or doors with closing devices
- 4" x 4", 4-1/2" x 4", 4-1/2" x 4-1/2", 5" x 4-1/2", 5" x 5" sizes available
- Electrified options available
 - ElectroLynx® quick connect
 - Concealed circuit
- Handed

Available in:

Reliable and classy. The three knuckle hinge provides that little extra detail.
