McKinney Hinge Pin Door Stop

The McKinney Hinge Pin Door Stop for 4 $\frac{1}{2}$ " hinges provides exceptional protection against damage to doors and walls for high-use or high impact openings.

The hinge pin of the door stop runs the full length of the hinge to keep it firmly seated when in use while also reliably preserving the strength of the hinge. With two versions offered, the McKinney Hinge Pin Door Stop is a practical and cost-effective option for use with MacPro MP79 or MPB79 hinges as well as McKinney T2714 or TA2714 hinges.

Part number	Description	Finish
76305	Hinge Pin Stop for MacPro MP79 & MPB79	26D
76306	Hinge Pin Stop for McKinney T2714 & TA2714	26D
