DFS12HD1-M*	Heavy Duty	12" Extension	Modular - PemKonnnect	D Dark Bronze Anodized Aluminum

The patent-pending PemKonnnect® Modular Hinge offers up to 50% savings in shipping costs thanks to its compact, multi-piece design that fits through doors, elevators, and into vans. Available in three Pemko Continuous Hinge models and two lengths (83" and 12"), it suits both new construction and retrofit applications for openings up to 95".

*The 12" hinge segment is available to create a 95" hinge. Combining multiple 12" segments to manufacture a custom length hinge will void any applicable product warranties and certifications. The 12" segment must be installed between 40" and 43" hinge segments.
