600D-28 Inline Mounting Bracket

Allows Parallel Arm Closer Mounting When Using 9945 Steel Stop Extender

- Patent No. 9109388
- Low Profile Appearance: The 600D Inline Bracket mounts directly through the 9945 Steel Stop Extender when mounting door hardware to the soffit.
- Soffit widths are not a concern. The 600D is specified for all frame dimensions eliminating the need for two different style mounting brackets.
- Requires one bracket for each soffit applied hardware item.
- May also be used with 9945 steel stop extender and a door coordinator.
- Finish: powder coat gray
