Auto-Spout Adapter (AF0630-12)

Implementing good hygiene, cost savings & water conservation

The **Auto-Spout Adapter** (AF0630-12) is compact, attractive, easy to attach and provides up to a 70% savings in water usage.

- Hands free automatic water faucet attachment that turns on by simply placing your hands under the faucet
- The Auto-Spout utilizes motion-sensor technology so that water flows only as long as needed, making it easy to effortlessly save significant amounts of water and money
- Effortlessly avoid cross-contamination and germ-spreading in any environment by switching to a touchless auto-spout
- Quick and Easy Do-It-Yourself installation on any standard faucet nozzle 15/16"
- Adjustable sensor ranging from 1/2" to 5"
- Manual button override button allows for constant running of water for one minute and then resumes automatic setting
- Uses three "AAA" Alkaline batteries, lasting up to 1 year
- Water pressure: 2.9 - 11 psi
- Perfect for healthcare, restrooms, kitchens, daycares, etc.
- ADA compliant
