HOSPITALITY PRODUCTS

Vinyl Thresholds

- Vinyl thresholds create an ideal transition where two different pieces of carpet meet, or carpet meets another surface under a door.

AVAILABLE COLORS: BL, D AVAILABLE LENGTHS: 36", 48", 73"

- Ideal for use in any high-traffic commercial installation, such as hotels and offices.
- Vinyl thresholds are manufactured of slightly softer material than competitive products. This aids in the cutting and fitting of the threshold and facilitates easier insertion of the carpet into the holding cavities on the carpet side(s) of the threshold.
- Vinyl thresholds are designed to work in conjunction with Pemko's 2173 V and 2343 V door shoes.
- V232_, V2325_ and ADJ232V thresholds have been tested and approved under ADAAG-1998 (Amended); ICC/ANSI A117.1 and California Building Code, Title 24 for Barrier-Free Entry.

Adjustable-Width Vinyl Threshold

- The adjustable-width threshold is designed for installations where the widths of the transition beneath a door may need to change, without completely disassembling and reinstalling the threshold.
- · The adjustable-width threshold's center section adjusts up to a width of 5-1/2" (10" overall including end pieces) to accommodate a wide variety of transition widths.
- · The adjustable-width threshold consists of two vinyl end pieces and one vinyl adjustable center section.
- Center Section (V2321_ below) can easily be cut to size with a

standard razor knife.
