

Notes:

1. Do not scale drawing.
2. All dimensions are in inches. Conversion to metric = inch x 25.4.
3. Electrical Ratings: Two types of wiring are offered:
 - Specify EH345-2 for two-wire #18 AWG circuits, rated 3 amps continuous. Low voltage only.
 - Specify EH345-4 for four-wire #24 AWG circuits, rated 2 amps continuous. Low voltage only.
