Design & Innovation

The pursuit of great design is central to everything we do at Taymor. It inspires our in-house product designers, guides our close collaboration with leading interior designers, and helps us create innovative and exclusive products that contribute to the success of any project.

Message from *Vivian Zalkow* CEO

As we reflect on a year of transformational global change and look to the future, being a design-led company has never felt more important. Now more than ever, it's clear the spaces we call home have the power to enrich our lives and elevate our wellbeing—from serving as a source of comfort to being a point of long-lasting pride. At Taymor, thoughtful design that brings spaces to life has been at the heart of our offering for more than 70 years. I'm proud to say that tradition continues on every page of this catalogue.

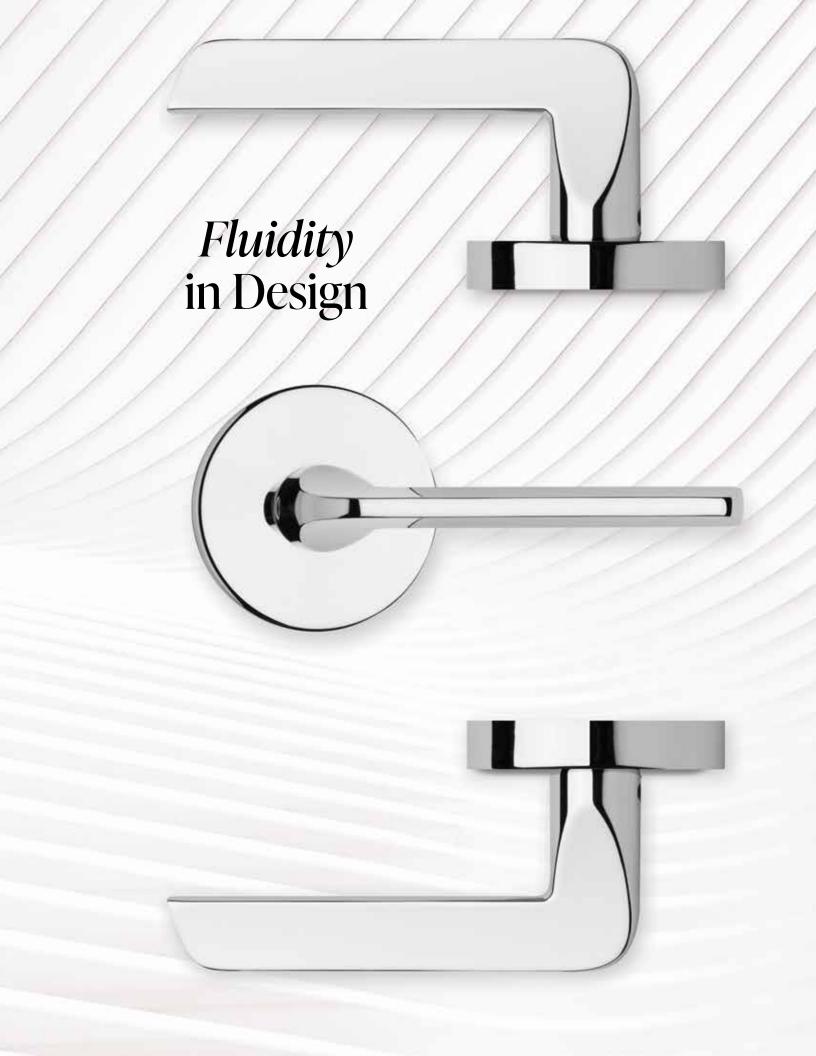

Creating Lasting Impressions *Since 1948*

Family owned since 1948, the same enduring values that motivated founder Jake Zalkowitz continue to inspire our company today. Our passion to raise the creative bar, build partnerships with integrity, and execute service excellence fosters solutions that exceed expectations from first touch to lasting impression.

THE Slip Stream collection is an exclusive line of coordinated door and bath hardware. With a fluid, dynamic form that invites you to touch, slip stream's soft angles, gliding contours, and coordinated metal finishes lend distinction and grace to the refined interior.

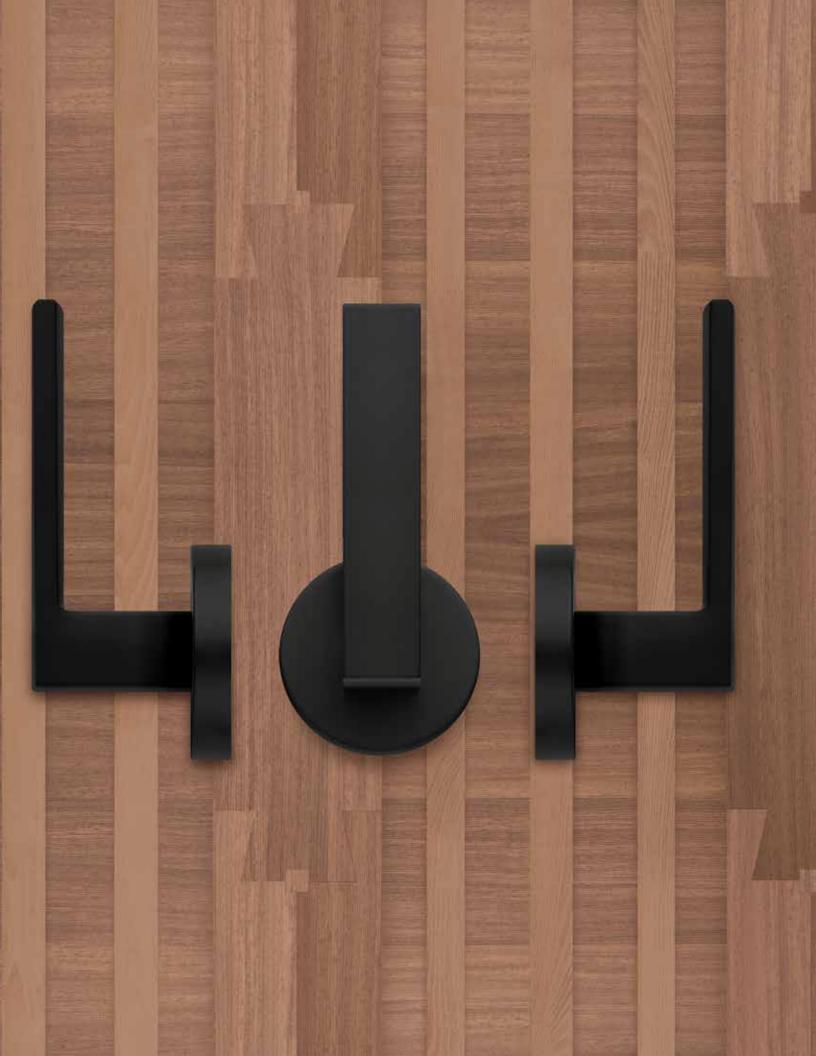

Service & Experience

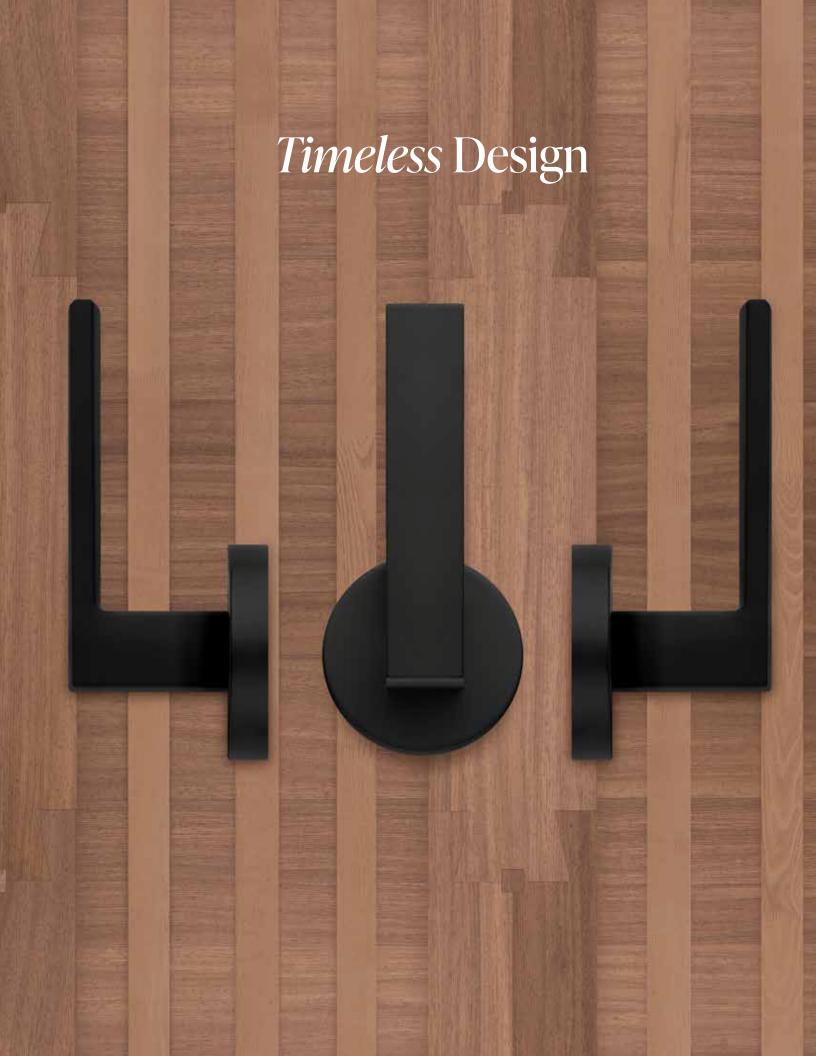

We believe in always putting the customer's needs first. It's a principle many companies aspire to but at Taymor it's ingrained deep in our DNA. For more than 70 years we've been building meaningful and trusted relationships with builders and their teams so we can support their ongoing success.

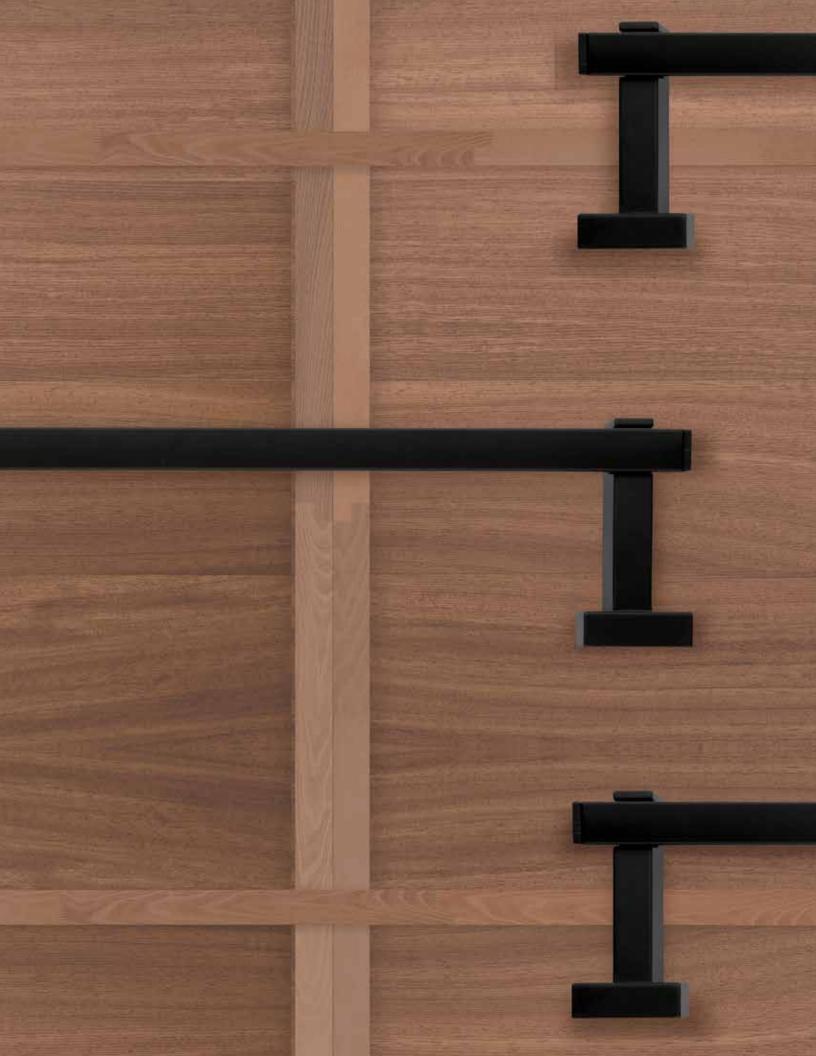

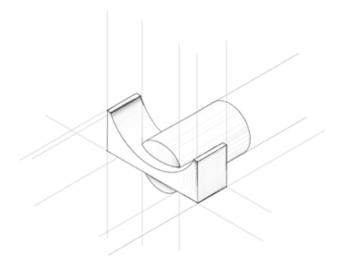

Quality & Craft

We love the craft. That means creating lasting impressions from your very first touch. Our in-house product design teams continually refine and enhance products for durability, ease of install, and performance. The end result is tangible. A level of quality you can feel in your hand.

"Great relationship. *Great Company.*"

Greystar is the global leader in rental housing. We design under an ethos of serenity, peace, and simplicity, and Taymor products fit the bill perfectly with their clean lines, simple profiles, and longevity.

Working with Taymor is always seamless. They make quality products that are elegant, affordable, and that complement the overall palette of our units while adding a touch of excitement.

NED DODINGTON

DIRECTOR OF DEVELOPMENT & DESIGN

GREYSTAR REAL ESTATE PARTNERS

"Always there when you need them."

Working with Taymor, we know that a solution is only a call away. Whether we need new material or have an issue on a project, our Taymor representative is always available.

If there's a problem, Taymor probably knows about it before we do because they're in constant contact with the development site.

Our customers love value, but they're also very discerning. That's why Taymor's quality hardware and affordability make them a perfect extension of our brand.

ERIC ANDREASEN

SENIOR VICE PRESIDENT, SALES & MARKETING

ADERA DEVELOPMENT CORPORATION

"Trust, reliability, and a fresh approach to design."

RDG's success is built in part on excellent relationships with our suppliers, and it's why we value our long-term partnership with Taymor.

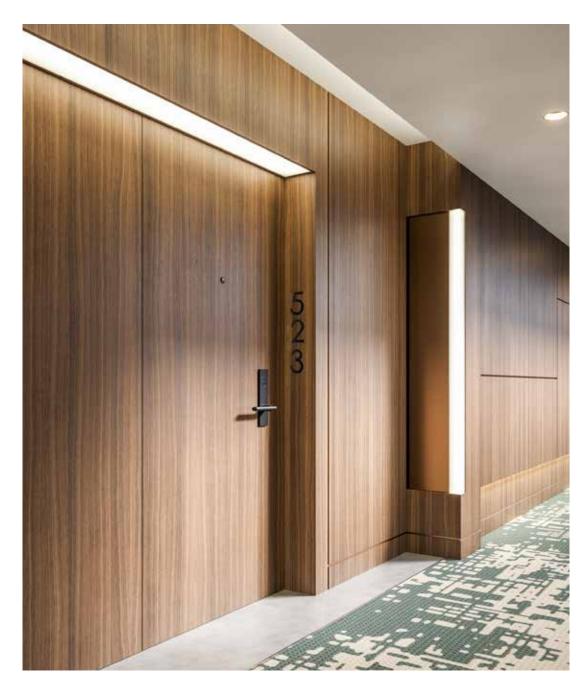

We want our consumers to have a good experience with us. That starts with superior design and function across all of our projects. Taymor helps us by consistently delivering high-quality, affordable hardware solutions.

We've worked exclusively with Taymor for twelve years, so we know what to expect. But Taymor's unique and fresh approach to hardware also gives our interior designers the ability to create new and enhanced looks and feels for our spaces.

JOHN REMPEL

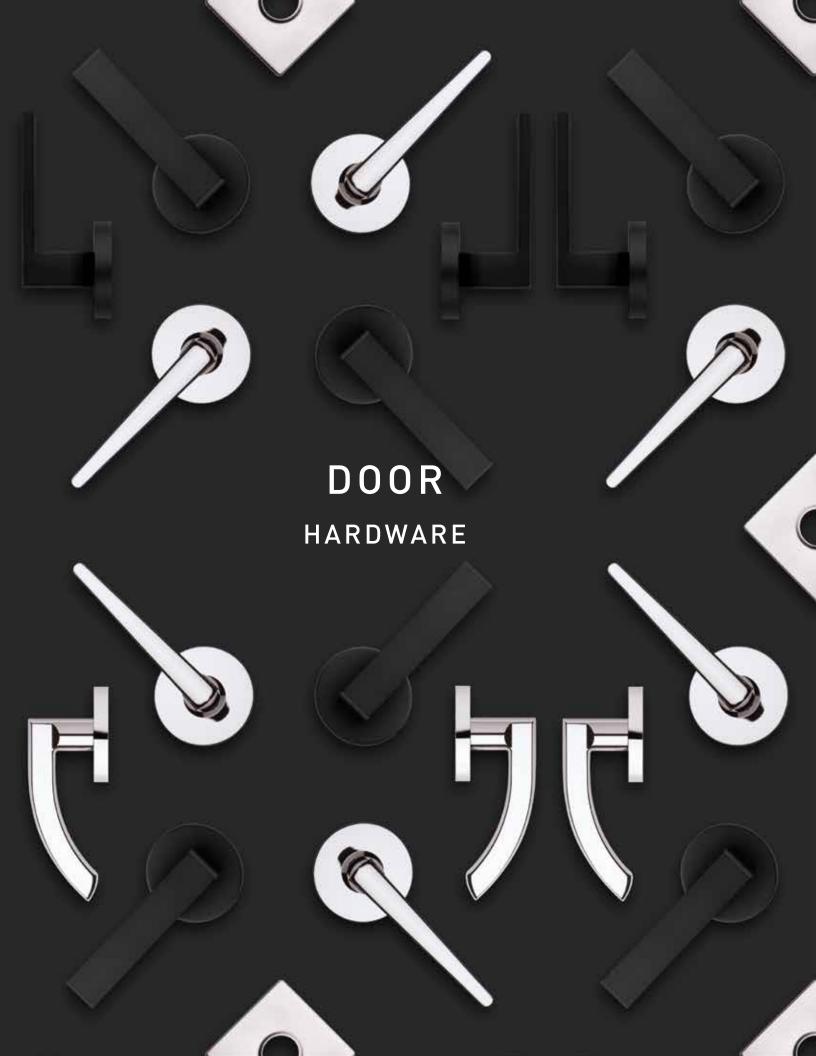

PRESIDENT

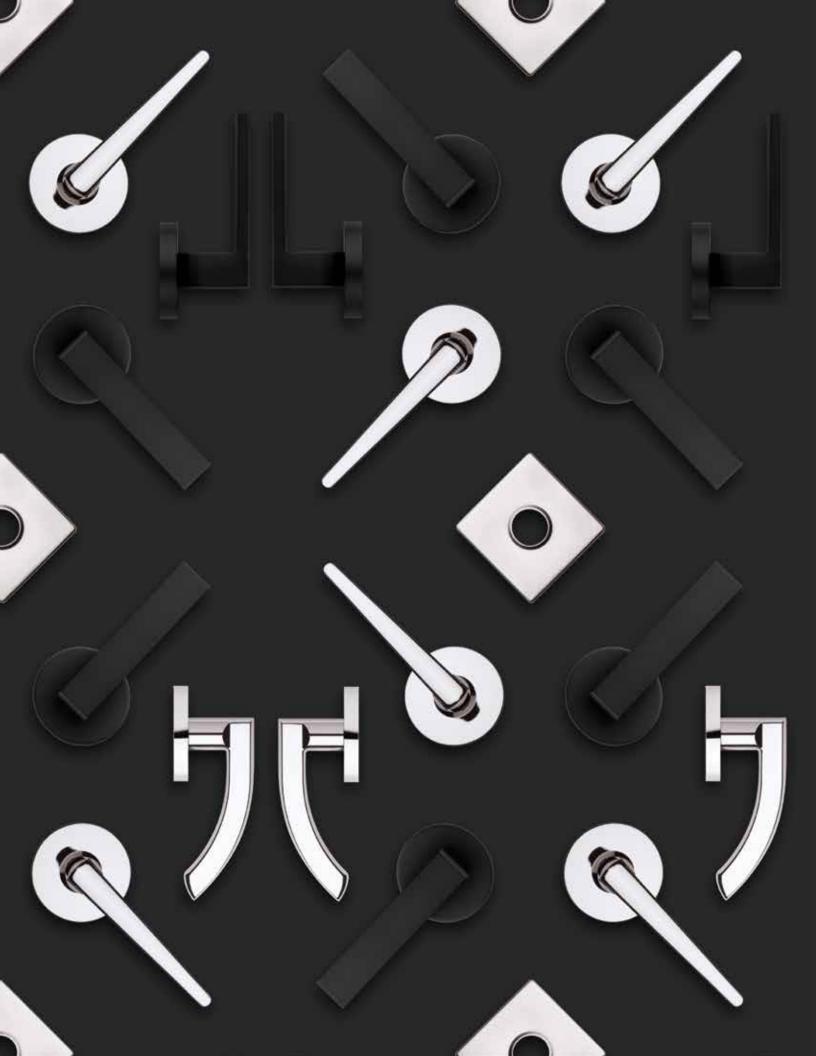

RDG MANAGEMENT LTD.

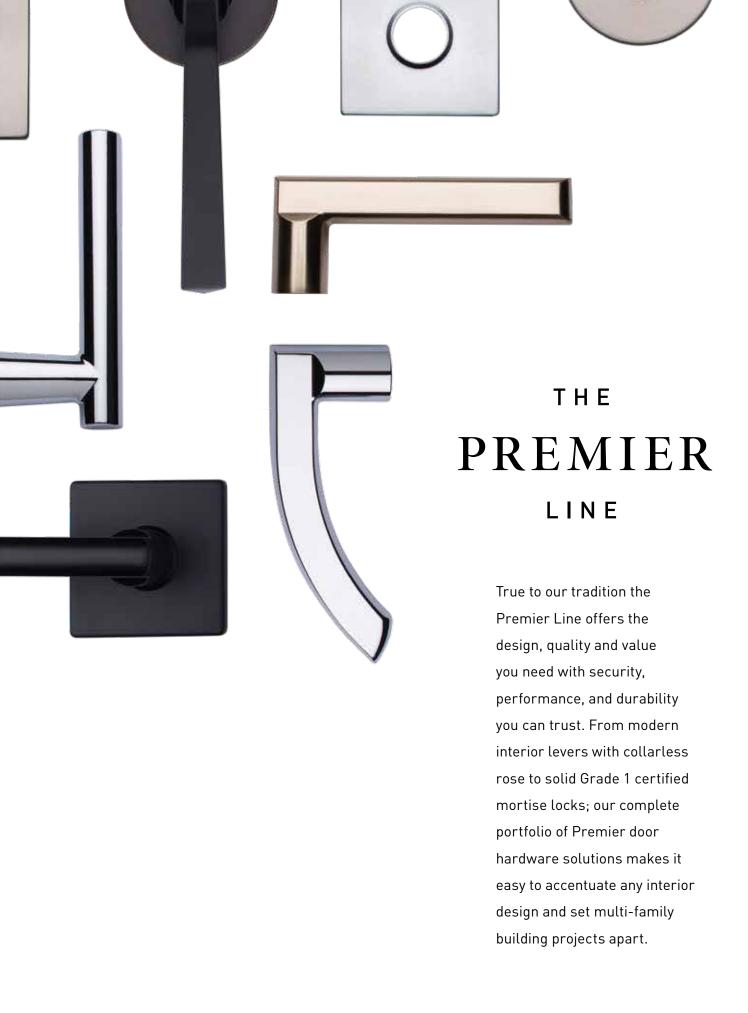

Trusted by Professional Builders

With decades of experience, we know the challenges residential construction projects face and the level of service builders and their project teams demand. We use our deep expertise in new construction to understand project needs, anticipate and solve issues, and deliver easy solutions.

Customer Specific Keying Available

Keying Options

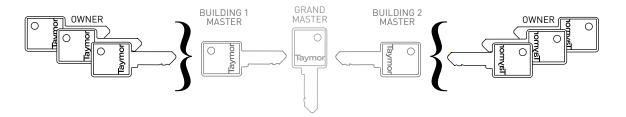

KEYED ALIKE (KA) systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

KEYED DIFFERENT (KD) systems are common in multi-family buildings where each unit opens with a unique key.

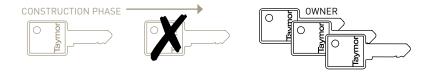

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

GRAND MASTER KEYING (GMK) allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

CONSTRUCTION KEYING (CK) allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK) adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

Suite Entry Hardware

Suite entry simplified. Meet access and egress requirements with the ANSI grades, fire ratings, and cost-effective product options you need, all from one trusted manufacturer.

Egress from the ordinary

Interconnected Locks

With its modern design and soft square lines, the Taymor Premier Interconnected lock is a departure from standard commercial-style offerings. Designed for multifamily housing or anywhere simultaneous retraction is required, the lock conforms to the California State Reference Code when paired with the Catana lever. It can also be combined with select Premier Line levers, offering more than 4,000 different combinations of style, trim, and finish options.

Simultaneous retraction: simply press the lever to unlock and open your door from inside

Interchangeable with most Taymor Premier Line levers

Easily harmonize interior levers to coordinate with the unit entry door

Conforms to the California State Reference Code when used with the Premier Catana lever

Concealed screw mount for a streamlined look

Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET I SATIN CHROME

MAKING THE GRADE

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware. The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1 ANSI GRADE 2 ANSI GRADE 3

Grade 1 is the strongest grade available for maximum duty commercial applications.

Grade 2 is designed and built to offer excellent security and durability for heavyduty commercial applications.

Grade 3 offers reliable security for both residential and light-commercial projects.

Pro/Key Program

Ensure safe and accurate key-control with our Pro/Key services. From a simple keyed alike system operated by one key, to a more complex multi-level grand master keying system, we work directly with design and development teams to identify the best keying options for the project. If you can't find a solution that works for your project, please contact our Sales team.

Keyway Options

Available in a Weiser KW1 5-pin keyway:

- Builders Series

Available in a Schlage SC4 6-pin keyway:

- Premier Series
- Interconnected Locks
- Mortise Locks
- Commercial Locks (KW1 keyway available on request)

Additional Services

Custom logo keys

Custom escutcheon etching

Custom key stamping and cylinder marking

 $\label{lem:minimum} \mbox{Minimum quantities and lead times apply. Please contact Taymor for details.}$

Customer Specific Keying Available

Keying Options

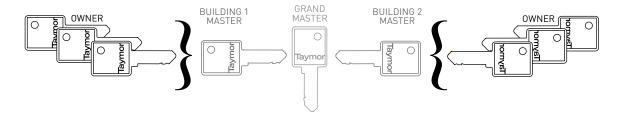

KEYED ALIKE (KA) systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

KEYED DIFFERENT (KD) systems are common in multi-family buildings where each unit opens with a unique key.

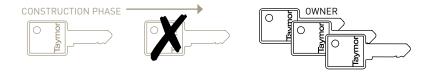

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

GRAND MASTER KEYING (GMK) allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

CONSTRUCTION KEYING (CK) allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK) adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

Handleset Customization

Customize the styling of any Taymor Premier Line handleset with deadbolt, lever or knob interior trim options, a matching square or round decorative rose, and multiple finishes to match your other Taymor locks or home décor.

PLEASE NOTE: The London handleset shown below is for illustrative purposes only.

CUSTOMIZATION TIPS

- Explore the catalog to see all The Premier Line inside trim options
- Coordinate the deadbolt interior trim with the decorative rose style (square or round)
- Match all interior trim finishes for a streamlined look

Terms & Conditions

TERMS

All invoices are due Net 30 days from date of invoice. Past due accounts are subject to service charge of 2% per month.

CREDIT APPROVAL

Acceptance of all orders is subject to approval of Taymor Industries USA Inc. Credit approval must be obtained before order is placed. Contact your sales representative.

FRFIGHT

• Taymor Warehouse orders are prepaid as per the following grid.

PREPAID FREIGHT ON ORDERS

\$500 or more	for destinations in the continental USA
\$750 or more	for Hawaii and Alaska

- Warehouse orders under \$500 are FOB Taymor warehouse. Unless the method of transportation is specified at the time of order, we will use the most cost effective carrier available. Orders will be shipped prepaid with freight added to invoice.
- Container Direct orders are not applicable to the above. All freight specifics for Container Direct will be detailed at the time of order.

MINIMUM ORDER

Orders under \$50 total value will be subject to an additional \$10 service charge for packing and invoicing.

BACK ORDERS

Back orders will be shipped prepaid. If back orders are not desired, specify on your original order.

Products noted as special order are available for project orders - minimum quantities and lead times apply. For quotes or assistance for multi-family residential projects, please contact our Customer Service team.

SHORTAGES AND OTHER IRREGULARITIES

Unless Taymor is notified within 5 days of receipt of shipment of any shortages or irregularities regarding quantities shipped, terms or conditions of sale, it will be assumed that the customer has accepted the order as shipped and invoiced. Customer must initiate and file a claim with the carrier for missing or damaged goods, as the carrier is responsible once they sign the bill of lading. Please note any discrepancies on the carrier's delivery slip before accepting shipment and request an inspection by the carrier.

WARRANTY

Taymor products are warranted against defect in materials and workmanship for one full year from date of purchase from Taymor, unless otherwise specified. This warranty does not cover any consequential damages or defects caused by misuse, alteration or accidental damage. Warranty does not include any labor costs.

RETURNED GOODS POLICY

- Taymor considers all sales final.
- All returns require prior authorization. Please contact Customer Service for Returned Goods Agreement (RGA) number.
- Please include RGA # in each box returned complete with: item #, description, quantity, condition of goods and freight responsibility.
- All documentation including packing slips, waybills and claims must prominently state the RGA #.
- All unauthorized returns are subject to a 30% restocking charge, if accepted by Taymor. Contact your Sales Representative for further information.
- All returned goods must be in saleable condition. Products/Goods returned in shop worn or severely damaged condition and/or missing parts will not be accepted. Please contact your Taymor Sales Representative for inspection and resolution prior to returning.
- Products that have been purchased over 12 months prior to a return are subject to review by the Taymor Sales Representative prior to shipping to Taymor.
- Discontinued and special order items cannot be returned.
- Return transportation must be prepaid by the customer.
- All credits will be issued at the invoiced price at the time of original purchase.

AUTHORITY OF TERMS AND CONDITIONS

The terms mentioned herein are the only ones Taymor Industries will honor. Any exceptions must be approved and confirmed by an officer of Taymor Industries USA Inc. TERMS AND CONDITIONS of buyer's purchase orders will not be honored unless an agreement is reached in writing beforehand. Taymor Industries has the right to refuse credit to anyone, and has the right to refuse to fulfill any orders. No representations, arrangements or agreements not appearing on the order shall be binding to Taymor Industries USA Inc.

PRICES

All prices are subject to change without notice. Errors and omissions are subject to corrections. Merchandise will be shipped at prices in effect at time of receipt of order. All prices are exclusive of applicable sales taxes and other taxes that may apply.

PHONE, FAX, E-MAIL, OR MAIL ALL PRODUCT ORDERS TO: TAYMOR INDUSTRIES USA INC.

Warranty Information

DOOR HARDWARE & COMMERCIAL LOCKS & HARDWARE WARRANTY

Taymor is pleased to offer a Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or the use of corrosive or abrasive cleaning agents. This warranty is non-transferable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below. Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

	THE PREMIER LINE	BUILDERS SERIES	COMMERCIAL GRADE 1 Locksets, Door Closers & Exit Hardware	COMMERCIAL OTHER Locksets, Door Closers & Exit Hardware
Mechanical	Lifetime	Lifetime	10 year	5 year
Finish	Lifetime	5 year	1 year	1 year

BATH HARDWARE WARRANTY

Taymor is pleased to offer a Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase. Taymor recommends using a certified plumber for installation and repair.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

CARE AND CLEANING TIPS

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

D0: Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.

DON'T: Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.

For additional information or questions regarding Taymor warranties, please contact our Customer Service team:
