

EZGrab™

Premium Grab Bars

DESIGNER

universal elegance series

EZGrab™'s Universal Elegance designer grab bar series offers a variety of styles to add both safety and fashion to any bathroom. Constructed of high-quality, 18-gauge stainless steel, each design is available in both polished chrome and satin stainless steel and in a variety of lengths. Other features include easy-to-install flange mounts to conceal screws and 1-1/4" tubing.
