WE SPECIALIZE IN CUSTOM BRANDING

PUT YOUR BRAND ON THE PRODUCTS YOUR CUSTOMERS USE EVERYDAY.

We use UV print and laser etch technology to permanently brand your products with ***your logo, phone number or message.***

Let us brand your transmitters, access cards and fobs; plus many of our keypads and card readers.

Ask your sales representative for pricing.

Look for this icon to see what products we can customize for you!

Raised UV Printing

Etched ABS Plastic

Custom Programming

KEEP YOUR CUSTOMERS COMING BACK.

We can even put **YOUR BRAND** on our cut sheets, manuals, catalog and even the product packaging. Ask for details.

TRANSMITTER SOLUTIONS WARRANTY

The warranty period of Transmitter Solutions products are 12, 24 or 60 months. Check the individual product for exact warranty period. This warranty shall begin on the date the product is manufactured. During the warranty period, the product will be repaired or replaced (at the sole discretion of Transmitter Solutions) if the product does not operate correctly due to a defective component. This warranty does not extend to (a) the product case, which can be damaged by conditions outside the control of Transmitter Solutions, or (b) battery life of the product. This warranty is further limited by the following disclaimer of warranty and liability:

EXCEPT AS SET FORTH ABOVE, TRANSMITTER SOLUTIONS MAKES NO WARRANTIES REGARDING THE GOODS, EXPRESS OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.
