

# FLIR FX PRO

INDOOR WIRELESS HD VIDEO MONITORING

## One Year Subscription to FLIR Cloud Premium is Included

The **FLIR FX PRO** is a versatile wireless HD camera that allows you to keep an eye on the things you care about – anytime, any place. Monitor customer traffic, wait times, inventory and employee performance. Plus receive alerts based on motion, sound, temperature and humidity. With the **FLIR FX PRO** you'll always have the piece of mind that your business and inventory will be safe and secure.

### SEE MORE. WATCH LESS - RapidRecap™

*Review the day in a minute by watching cloud-recorded events simultaneously.*

- Pick the time frame to review, and RapidRecap will compile events into condensed video clips
- Spend less time reviewing videos
- Easily share downloaded videos with law enforcement

### KEEP AN EYE ON WHAT MATTERS MOST - SmartZone™

*Recordings and alerts happen only in your specified area with motion sensing technology.*

- Using the FLIR FX app, you select the areas you want to monitor
- When an object moves inside the SmartZone area, you will receive a notification on your smartphone or tablet, and the camera will record
- SmartZone is designed to reduce unwanted motion triggers in areas you're not worried about

### ANYWHERE, ANY PLACE

*Records 1080p to an included on-board microSD card.*

- Infrared illumination to see up to 33 feet at night
- Internal four-hour battery ensures coverage during power outages
