

## Kits & Housings

Indoor/Outdoor 6" Pendant Dome Housing

# Dome6 Series

High quality environmental housing designed for the MP8P and MP8D-L4 cameras. Combining this 6" dome with the superior imaging of a megapixel dome camera provides the perfect solution for environments in which cameras need to be less noticeable or require additional protection from the elements

### Features:

- Indoor or outdoor applications
- Heavy duty enclosure features an IP66 rating for applications in harsh environments
- Full view in all directions: for use with the MP8P 180° view or MP8D-L4 360° view panoramic camera to ensure outstanding observation with excellent color sensitivity and high resolution
- Wall mount or pendant mount
- Easy installation and superior design suitable for multiple applications
