

EL-3000N

650TVL Indoor/Outdoor Full Size IR Bullet Camera

The EL-3000 is an elite bullet camera that comes equipped for the most demanding situations. If the project requires top of the line performance this camera will fit the bill. The EL-3000 sports a high resolution 650TVL day/700TVL image sensor, super high intensity IR LED's with 250' range, and a strong 12X optical zoom. In addition, the EL-3000 series camera includes all of the core features of the EL-1000 and EL-2000 – IP67 weatherproof durability, a UL performance rating, and RS-485 control. This camera includes upgraded optics with a 3.8-45.6mm 12X powered zoom lens and IC Realtime Smart Zoom capabilities which means it will zoom in when it detects new objects in view. When long range, high zoom, and low light viewing capabilities are in demand, the EL-3000 will deliver.. **UL Listed: E359057**

Features

- 3.8-45.6mm (12×) optical powered zoom lens (32× Digital Zoom)
- 650HTVL Day /700HTVL Night
- Up to 250' of intelligent IR long range illumination
- IP67
- DSS
- 24V AC
- RS-485 communication OSD control

EL-3000N

Specifications

Model	EL-3000N
Camera	
Image Sensor	1/4" SONY Super HAD II Double Scan CCD
TVL	650/700TVL
Lens	3.8-45.6mm (12×) optical powered zoom lens
Day / Night	16 IR LED's up to 230'/70m (TDN ICR)
DNR	Off / On / Auto (User Selectable by OSD)
WDR	Off / On (User Selectable by OSD)
OSD	Yes
General	
IP Rating	IP67
Bracket	3 Axis External
Power Consumption	24V DC: 140mA ~ 510mA (IR On) / 24V AC: 130mA ~ 400mA (IR On)
PSU Supplied	Yes (24V DC 1.9AMP)
Bracket Supplied	Yes
Dimensions	4.33"×5.43"×10.72"/110mm×138mm×272.3mm
Weight	5.73lbs/2.6kg
