

ICR-200W

700TVL Indoor/Outdoor Vandal Mid-Size IR Dome Camera

The ICR-200W is one of the most critically acclaimed and popular cameras ever sold by ICR realtime. We never stand on our laurels, but keep taking this camera to new heights by updating and increasing its features and performance. These cameras now come standard with high-resolution 700TVL image sensors for crystal-clear video and mid-range IR LEDs suitable for nighttime viewing up to 50' in 0Lux. The unique flat glass design of the lens does not allow any IR reflection, which can sometimes adversely affect or distort the camera's image. The camera's orbital design makes it a cinch to mount and point. The end result means this camera can take a beating, and delivers in both day and night conditions.

Features

- 3.6mm Fixed Lens
- 700 TVL
- IR distance up to 50'
- IP 55
- 12V DC (210mA)

ICR-200W

Specifications

Model	ICR-200W
Camera	
Image Sensor	1/3" 960H High-Sensitivity CCD
Horizontal Resolution	700TVL
Sync	Internal
Min. Illumination	0Lux (IR On)
White Balance	Auto 3200°K ~ 10,000°K
Gain Control	Auto
S/N Ratio	> 50dB
Electronic Shutter Speed	1/60sec ~ 1/100,000sec
Video Out	1.0V p-p Composite 75Ω
Gamma Correction	r=0.45
Lens	3.6mm
IR Range	50'
General	
Power Consumption	12V DC - 210mA
Operating Temperature	-14°F ~ 122°F/-25°C ~ 50°C
Dimensions (W×H×D)	Φ3.70"×2.76"/Φ94mm×70mm
Weight	1.08lbs/490g
