Wall Mount Vertical Hinged Bracket

Features and Benefits:

- Designed with black textured powder coated, durable steel construction
- Ideal for installing voice and data equipment such as patch panels, active components, and cable management products creating a neat structured and organized cabling system
- Allows easy access during and after the installation and is ideal for installations with space limitations prohibiting the use of floor mount racks
- Available in 6 rack mount space (RMS) to support 40 pounds of equipment and 8 rack mount space (RMS) to support 60 pounds of equipment
- 8 rack mount space (RMS) version is available in 12" and 18" depths
- Used with ICC rack mount products
