

## FEATURES

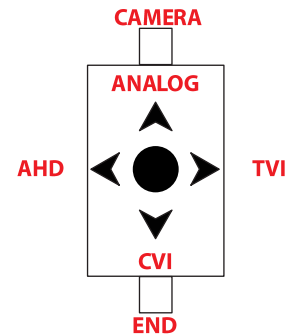

- Coax Control
- AHD / CVI / TVI / ANALOG **4 in 1**
- 1080P @ 30fps
- 2.8-12mm lens
- 15 pcs. IR LED
- IR Distance: Up to 38 ft.
- Weather-rating: IP66

## SPECIFICATIONS

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Image Sensor      | 1 / 2.7" CMOS                                           |
| Resolution        | 1920 (H) x 1080 (V)                                     |
| Effective Pixels  | 2 Mega Pixel                                            |
| Focal Length      | 2.8-12mm                                                |
| IR Distance       | Up to 38 ft. / 15 pcs.                                  |
