Digital Menu Board Kit

For 13" to 102" displays

Designed to provide a great look for an infinite number of display possibilities, the Peerless Digital Menu Board Kit allows for the combination of multiple wall plates and vertical rails that ultimately creates a virtually seamless in-line display appearance at any desired height. A simple 3-step installation saves time and eliminates tedious measurements while assuring the placement of multiple displays is easily adjusted across the horizontal arrangement. The mount offers flat or tilt viewing options for ideal screen spotting position. Tampering and theft is prevented with included security hardware. Available Cable Management Accessory assists in finishing a clean look for a truly sleek and clutter-free installation.

FEATURES

- Enables the installation of multiple displays onto one mounting system
- Tilt displays to -5, 0, 5, 10 and 15 degrees
- Horizontal adjustment to create a seamless appearance
- Portrait or landscape orientation
- Includes security hardware and all necessary mounting hardware

TV size: 13"-102"

Max load: up to 350lb (158.8kg)

INFINITE POSSIBILITIES

Create any combination of wall plates and vertical rails forming a limitless linear array of displays

NO MEASURING

Install multiple displays onto one mounting system with virtually no measuring required

INSTALLATION SECURITY

Prevent tampering and theft with included security hardware
