Full-Service Video Wall Mount with Quick Release - Landscape FOR 46" TO 65" DISPLAYS

Video walls should be easy to configure, quick to install, and a snap to maintain. The DS-VW765-LQR Full-Service Video Wall Mount with a Quick Release from Peerless-AV is designed for quick service access in recessed video wall applications. It provides versatility demanded by installers. With the quick-release functionality, users have the ability to articulate the display from the wall by gently pressing on the front of the display. The DS-VW765-LQR has a no-tool-required micro-adjustment feature and provides easy-access to any display, creating the ideal video wall. The custom wall plate spacers eliminate guesswork and on-site installation calculations and measurements, reducing installation time and cost. This innovative design, combined with a ready-to-install mount, makes this the fastest video wall installation. Loaded with time saving features, this Full-Service Video Mount is the ultimate video wall mounting solution.

Additional Features

- ✓ Quick release pop out mechanism provides convenient display access in recessed applications
- ✓ Quick release can be disabled with a locking screw to prevent unintentional pop-outs
- ✓ Carriage extension force can be adjusted to accommodate the weight of the display, allowing the quick release to activate with gentle force
- ✓ Modular mount for unlimited video wall display configurations
- ✓ Custom wall plate spacers eliminate the guesswork and on-site installation calculations
- ✓ Tool-less micro-adjustments at 8 points allows the mount to overcome uneven walls to create a seamless video wall display
- ✓ Pull-out/prop-open mechanism provides quick service access
- ✓ Integrated cable management tie-backs make display-to-display cabling simple

The DS-VW765-LQR's pop-out mechanism provides easy-access and quick serviceability, so you can achieve a seamless video wall in no time.
