

# P-Series Low-Profile Flat Mount for Flat Panel Displays

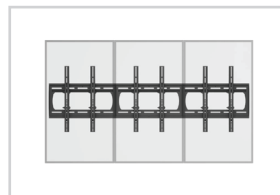

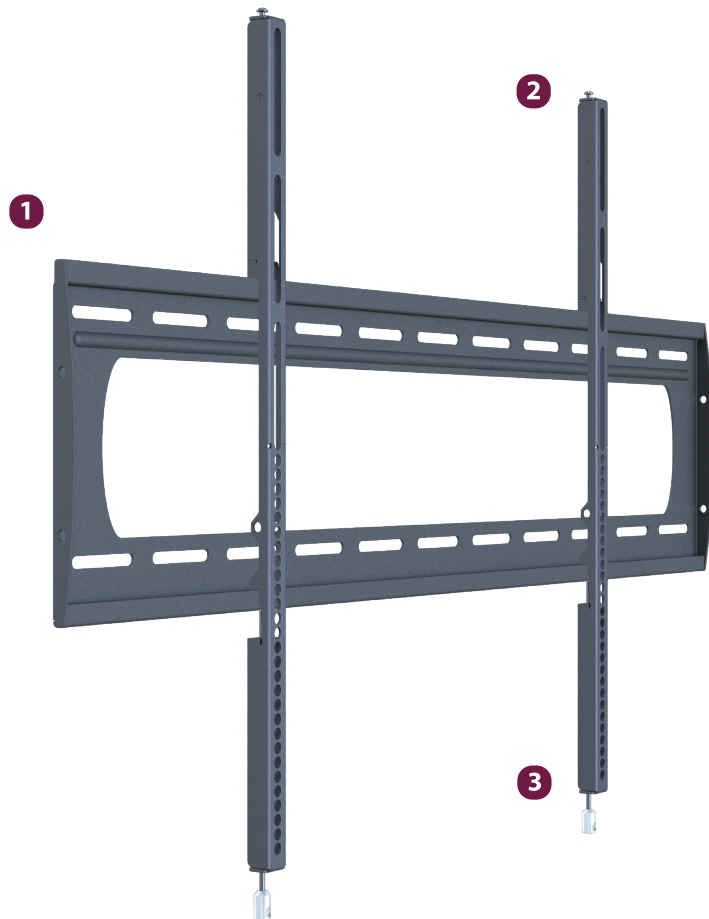

Models: **P2642F, P4263F, P5080F, P4263FP**

Weight Capacity: 130 - 300 lb / 59 - 136 kg.

## Features

- 1** Holds flat panel displays less than 1 inch from the wall
  - 2** Post-installation leveling system
  - 3** Lock-It™ security barrel included
- Built-in lateral shift
  - Open design for easy cable and electrical access
  - Mounting kit includes wood, concrete and steel stud attachment hardware
  - P5080F model is built of heavy-duty material to withstand the weight of larger displays

The P-Series Low-Profile Flat Mounts are for flat panels weighing 130-300 lb. They feature post-installation leveling, lateral alignment, locking security sections and an open mounting frame for easy access to power sources and cables. Products in the P-Series Flat Mount line include the P2642F, P4263F, P5080F and P4263FP mounts.

P4263FP available in portrait mode for digital menu board applications

Accessories available for shelving and in-wall storage options

Lock-It™ Security barrels to deter removal of flat panel displays
