BATHROOM COLLECTION

MAKE YOUR BATHROOM A PERSONAL OASIS

Creating your own peaceful oasis has never been easier. VIGO's exclusive bathroom collection offers every element you need to see the bathroom of your dreams become a reality. Deep, hand-painted vessel bowl sinks pair with wall-mounted or countertop installation faucets to produce a unique, one-of-a-kind bathroom. Our products undergo meticulous inspection to exceed industry standards. This ensures that your space will not only look beautiful, but everything inside it will function optimally as well.

BEYOND THE ESSENTIALS

SEVEN-LAYER COATING

To ensure an enduring finish, without risk of corrosion.

EFFORTLESS INSTALLATION

Single-hole installation and standard US plumbing 3/8" connection.

BUILT GREEN

Save water with a flow rate capped at 1.2 gpm, in accordance with CEC.

REINFORCED PEX PIPING

The hot/cold lines are pressure and freeze resistant and have thermo-static piping.

LIMITED LIFETIME WARRANTY

The VIGO Limited Lifetime Warranty covers customers for the life of their product based on manufacturer's defect.

DURABLE CONSTRUCTION

Solid brass construction with premium finishes, which resist corrosion and tarnishing, exceeding industry durability standards.

OVER-ENGINEERED PARTS

Sedal ceramic disc valve, tested for 500,000 uses.

TEMPERATURE CONTROL

The hot/cold lines are metal braided PEX – a high pressure resistant, freeze resistant and thermostable pipe.

BUILT-IN DRIP STOP

Built-in Drip Stop in the back of the spout prevents drips when handle is in the “off” position.

EASY TO CLEAN

Nozzle resists mineral buildup and is easy to clean.

ADA COMPLIANT

Many of our sinks and faucets meet ADA compliancy guidelines for accessibility, allowing those who are disabled or have limited mobility to use them.

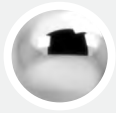

Certified by
IAPMO R&T

EPA WATERSENSE®

EPA WaterSense® certified product that uses at least 20% less water than the current federal standard

SEVEN-LAYER COATING

VIGO's bathroom faucets and hardware feature seven-layer plated finishes in chrome, matte white, stainless steel, antique rubbed bronze, oil rubbed bronze, and matte black. Our exclusive coating ensures that products remain rust, corrosion, and tarnish-free.

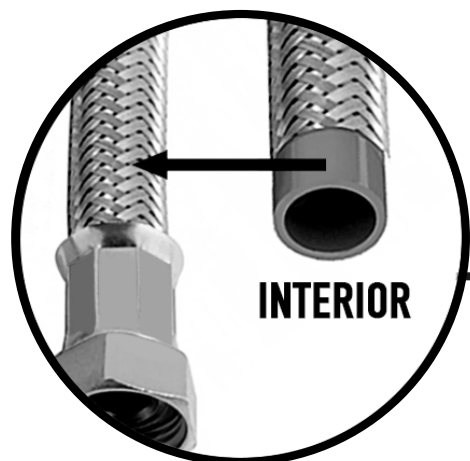

MINIMALIST DESIGN

VIGO believes that less is more. Our products reflect sleek lines and solid infrastructure to provide only the best products our industry has to offer. Our minimalist designs allow each piece to make a statement on their own.

REINFORCED PEX PIPING

The hot/cold lines are metal braided PEX – a high pressure resistant, freeze resistant and thermostable pipe.

MATTE STONE™

VIGO's MATTE STONE™ is an ultra-durable solid-core material designed to look and feel like carved, polished stone molded as a seamless piece.

The sleek, minimalist designs of MATTE STONE™ products enrich architectural styles, both residential and commercial.

SOLID CORE

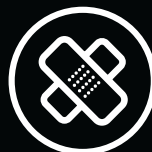

Architizer, the largest awards program in the world, celebrates the year's best architecture and products. This exclusive sink set, featuring the VIGO Matte Stone Peony Sink and Niko Vessel Faucet, was selected over thousands of others within its category.

NON-POROUS

This protective feature inhibits mold and bacterial growth, rendering the material a superior sanitary choice.

REPAIRABLE

Stains can be easily removed either with standard household cleaners or with a complimentary buffing circle.

RESILIENT

The composition of the MATTE STONE™ material renders the piece resilient to any aesthetic damage.

HAND-POLISHED

Each MATTE STONE™ sink is hand-polished to emulate the look and feel of smooth, carved stone.
