

Aircraft Exteriors

One Step AA

One Step is a best in class aviation degreaser made with natural solvents. The premium thickened formula clings to vertical surfaces, prolonging contact time and minimizing runoff. This powerful degreaser cleans the aircraft in one step. It traps oil, grease, and other soils, allowing them to rinse freely. Use undiluted One Step as a degreaser, adhesive remover, and Corrosion Inhibiting Compound (CIC) remover.

Conforms to:
• Boeing D6-17487

Package: 55 gal
SKU: M10085

Package: 275 gal tote
SKU: M10089

Exterior Aircraft Gel

This thickened non-solvent exterior aircraft cleaner clings to vertical surfaces, prolonging contact time and minimizing runoff. Excellent for removing carbon deposits caused by aircraft exhaust. Exterior Aircraft Gel is free rinsing and biodegradable.

Conforms to:
• Boeing D6-17487
• Douglas CSD-1
• AMS 1526

Package: 4-1 gal/case
SKU: R43624

Package: 55 gal
SKU: R43685

AD-151-T

AD 151-T is a thickened, ready-to-use, CIC. Prepare the aircraft exterior for heavy maintenance. AD 151-T's natural degreasing solvents remove the most stubborn oils, greases, adhesives and corrosion inhibiting compounds from aircraft surfaces.

Conforms to:
• Boeing D6-17487
• ASTM F 519

Package: 5 gal
SKU: 073735

Package: 55 gal
SKU: 073785

Nav-II

NAV-II is a water-based exterior cleaner qualified for use on all Department of Defense aircraft. Excellent for locations using oil water separators. NAV-II is available in concentrate or in a ready-to-use spray bottle.

Conforms to:
• Boeing D6-17487
• Douglas CSD-1
• AMS 1526
• MIL-PRF-85570T2

Concentrate:

Package: 5 gal pail
SKU: R51035

Package: 55 gal
SKU: R51085

Ready-to-Use:

Package: 12-1 qt/case
SKU: M39501

Aircraft Cleaner II

Our most economical, heavy-duty exterior aircraft cleaner. Aircraft Cleaner II is a concentrated, moderately foaming, butyl degreaser for exterior aircraft surfaces. It will not damage or craze aircraft windows. Also cleans ground support equipment and other vehicles.

Conforms to:
• Boeing D6-17487
• Douglas CSD-1
• MIL-C-97936
• MIL-C-25769

Package: 5 gal pail
SKU: R50335

Package: 55 gal
SKU: R50385

Aircraft Polish / Dry Wash

Polishes and cleans aircraft surfaces in one application. Protects painted and unpainted aircraft surfaces from harmful UV rays, air fallout, deicing compounds, and other elements. Cleans dry and damp surfaces. Perfect for locations with wet washing restrictions.

Conforms to:
• Boeing D6-17487
• AMS 1531

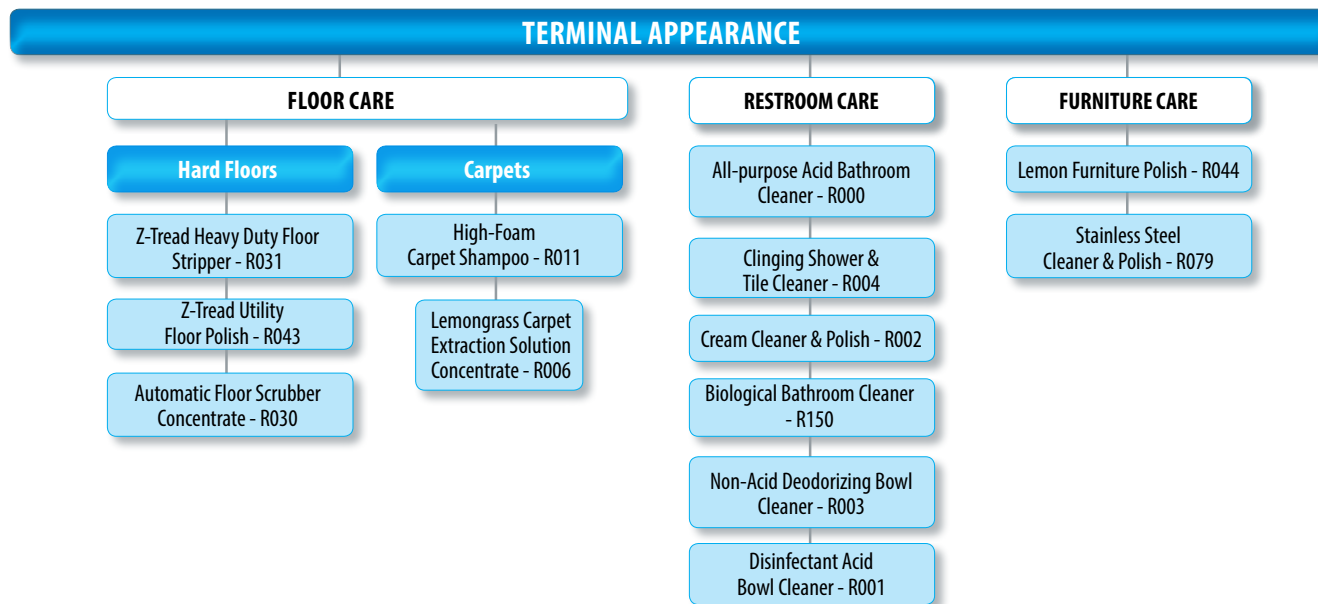

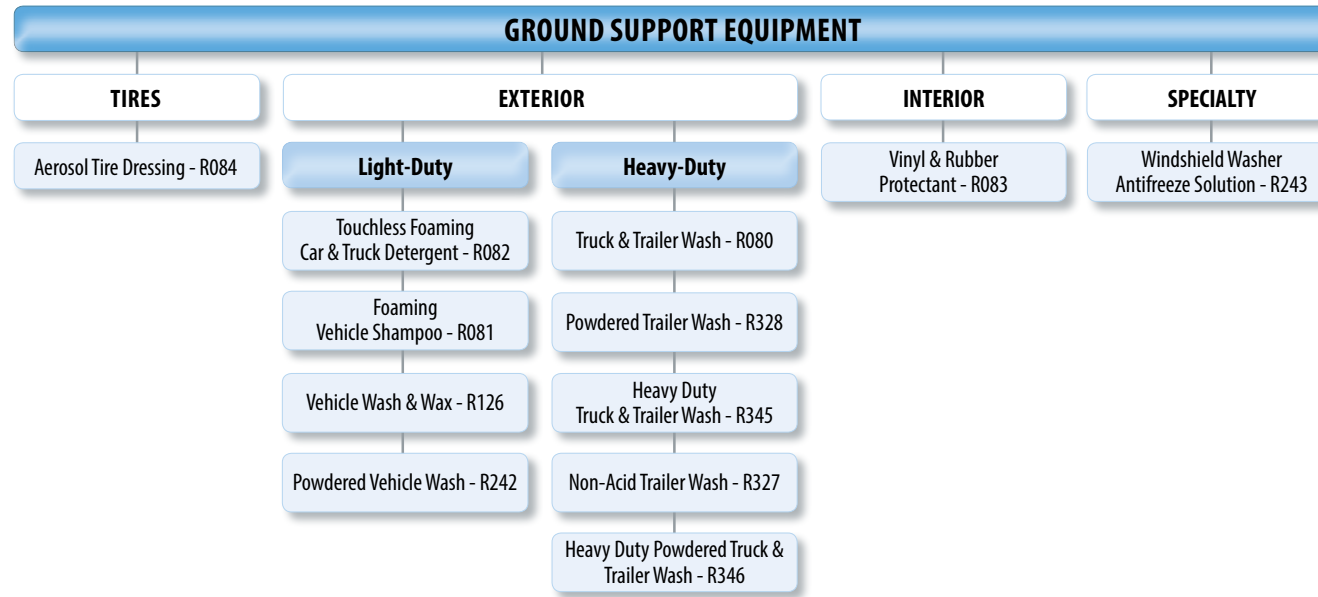

Package: 12-1 qt/case
SKU: F38001

Package: 5 gal
SKU: F38035

AVIATION

Coordinated Air Support

Tested. Proven. Effective.

Zep Aviation is your Coordinated Air Support for aircraft cleaning and maintenance, offering products for every aircraft surface. Your aircraft's appearance affects your customer's impression of your business. A clean aircraft shows your dedication to maintenance and safety. All Zep Aviation products meet military or commercial aviation specifications, verified through rigorous third party testing. With over 75 years of experience, Zep knows what it takes to meet the exacting cleaning and maintenance needs of the aviation industry. Combine Zep Aviation Products with the Zep Professional line of products to clean and maintain your facilities and ground support equipment.

General Purpose Cleaners

General Green

General Green is a biodegradable, non-toxic Type IV military cleaner. Use General Green in all aspects of your cleaning operation. A one product solution for aircraft, maintenance shops, ground support equipment, facilities, and more.

Conforms to: <ul style="list-style-type: none">• MIL PRF 87937	Package: 4-1 gal/case SKU: R60224	Package: 55 gal SKU: R60285
	Package: 5 gal pail SKU: R60235	

799 Universal Cleaner Concentrate

799 Universal is a powerful, heavy-duty cleaner/degreaser. Removes oils, greases, and other soils from aircraft surfaces and parts. Dilute for spray and wipe applications. 799 Universal is non-flammable and contains no phosphates. Use on aircraft exteriors, aircraft interiors, and on ground support equipment.

Aircraft Interiors

Window View

This streak-free formula cleans acrylic windows and mirrors. Use on all interior and exterior aircraft surfaces. Window View contains no ammonia or alcohol, and it will not craze or distort acrylic windows. Does not affect the adhesion of decals after the cleaned surface has dried.

Conforms to: <ul style="list-style-type: none">• Boeing D6-17487• Douglas CDS#1• AMS 1534• AMS 1550	Package: 12 - 1 qt/case SKU: F33601	Package: 55 gal SKU: F33685
---	--	--

RTU Cleaner Disinfectant

This premium streak-free formula cleans and disinfects all interior aircraft surfaces. Eliminates fungi, mildews, bacteria, and viruses. Most illnesses caught on passenger aircraft are contracted by touching infected surfaces. Protect passengers and crew from salmonella, streptococcus, HIV-1, herpes, and hepatitis, influenza, including H1N1 swine flu, and more with RTU Cleaner Disinfectant.
