Frequency noise and other factors, including, but not limited to, speed, power cables on the boat, positioning of transducer and weather can affect the ability of the Service to accurately record the raw sonar data transmitted on your boat. Map output can also be affected by your data collection technique. We are not responsible for inaccuracies and poor performance of the Service as a result of these factors or any other circumstance that is not within our control.

In addition, all navigation aids are subject to inaccuracies and discrepancies. You should not rely on the Service as your single navigation aid in connection with navigating your vessel. You should obtain navigation information from additional sources, and cross-check all information for any inaccuracies or discrepancies when you make any determination regarding your vessel's position, course, speed and intended track.

15. Disclaimer of Warranties. THE INFORMATION CONTAINED IN AND PROVIDED THROUGH THE SERVICE, INCLUDING TEXT, GRAPHICS, LINKS, OR OTHER ITEMS, IS PROVIDED "AS IS". NEITHER THE COMPANY NOR ITS SUPPLIERS WARRANT THE ACCURACY, ADEQUACY, COMPLETENESS OR TIMELINESS OF THE INFORMATION, MATERIALS, PRODUCTS, AND SERVICES ACCESSED ON OR THROUGH THE SERVICE AND THE COMPANY EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE INFORMATION OR MATERIALS ACCESSED ON OR THROUGH THE SERVICE. NO WARRANTY OF ANY KIND, WHETHER IMPLIED OR EXPRESSED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND FREEDOM FROM COMPUTER VIRUS, IS GIVEN IN CONJUNCTION WITH ANY INFORMATION, MATERIALS, OR SERVICES PROVIDED THROUGH THE SERVICE.

16. Limitation of Liability. IN NO EVENT SHALL THE COMPANY OR ITS THIRD PARTY SUPPLIERS BE LIABLE FOR ANY DAMAGES, LOSSES OR LIABILITIES INCLUDING, WITHOUT LIMITATION, DIRECT OR INDIRECT, PUNITIVE, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR OTHER DAMAGES, LOSSES OR EXPENSES, INCLUDING ANY LOST PROFITS, LOST DATA, OR LOST SAVINGS, WHETHER BASED ON BREACH OF CONTRACT, BREACH OF WARRANTY, TORT OR ANY OTHER LEGAL THEORY, ARISING OUT OF OR IN ANY WAY CONNECTED WITH THE USE OF THE SERVICE OR RELIANCE ON OR USE OR INABILITY TO USE THE INFORMATION, MATERIALS OR SERVICES PROVIDED THROUGH THE SERVICE, OR IN

CONNECTION WITH ANY FAILURE OF PERFORMANCE, ERROR, OMISSION, INTERRUPTION, DEFECT, DELAY IN OPERATION OR TRANSMISSION, COMPUTER VIRUS OR LINE OR SYSTEM FAILURE, EVEN IF THE COMPANY OR ITS THIRD PARTY SUPPLIERS ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, LOSSES OR EXPENSES. IN NO EVENT WILL COMPANY'S AGGREGATE LIABILITY FOR ANY CLAIM EXCEED ANY AMOUNTS PAID BY YOU IN CONNECTION WITH THE SERVICE OR \$100, WHICHEVER IS GREATER.

17. **Void Where Prohibited.** Although the Site is accessible in most geographic locations, not all features, products or services discussed, referenced, provided or offered as part of the Service are available to all persons or in all geographic locations, and may not be permitted by law in all geographic locations. We reserve the right to limit, in our sole discretion, the provision and quantity of any feature, product or service to any person or geographic location. Any offer for any feature, product or service made available through the Service is void where prohibited by law.
18. **Unauthorized Transactions.** In the event that you use a credit card to pay for any products or services offered through the Service, you are representing to the Company that you are authorized to use that credit card. Any violation of this requirement will be reported to the appropriate authorities.
19. **Indemnification.** You agree to defend, indemnify and hold the Company harmless from and against any and all claims, damages, and costs including attorneys' fees, arising from or related to your use of the Service.
20. **Governing Law and Jurisdiction.** You agree that your use of the Service shall be governed by and construed in accordance with the laws of the State of Oklahoma, without regard to conflict of law rules.
21. **Arbitration Agreement and Waiver of Class Remedies.**
 - a. **Arbitration.** The parties shall use their best efforts to settle any dispute, claim, question, or disagreement directly through consultation and good faith negotiations which shall be a precondition to either party initiating a lawsuit or arbitration. All claims arising out of or relating to these Terms of Use (including its formation, performance and breach) and the Service shall be finally settled by binding arbitration administered by the American Arbitration Association ("AAA") in accordance with the provisions of its Commercial Arbitration Rules and the supplementary procedures for consumer related disputes of the AAA, excluding any rules or procedures governing or permitting class actions. The arbitrator, and not any federal, state or local court or agency, shall have exclusive authority to resolve all disputes arising out of or relating to the interpretation, applicability, enforceability or formation of these Terms of Use, including, but not limited to, any claim that all or any part of these Terms of Use is void or voidable. The arbitrator shall be empowered to grant whatever relief would be available in a court under law or in equity. The arbitrator's award shall be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. To the extent the filing fee for the arbitration exceeds the cost of filing a lawsuit, we will pay the additional cost.

The parties understand that, absent this mandatory provision, they would have the right to sue in court and have a jury trial. They further understand that, in some instances, the costs of arbitration could exceed the costs of litigation and the right to discovery may be more limited in arbitration than in court.

- b. Class Action Waiver.** The parties further agree that any arbitration shall be conducted in their individual capacities only and not as a class action or other representative action, and the parties expressly waive their right to file a class action or seek relief on a class basis. If any court or arbitrator determines that the class action waiver set forth in this paragraph is void or unenforceable for any reason or that an arbitration can proceed on a class basis, then the arbitration provision set forth above shall be deemed null and void in its entirety and the parties shall be deemed to have not agreed to arbitrate disputes.
- c. Exception - Litigation of Small Claims Court Claims.** Notwithstanding the parties' decision to resolve all disputes through arbitration, either party may also seek relief in a small claims court for disputes or claims within the scope of that court's jurisdiction.
- d. Thirty Day Right to Opt Out.** You have the right to opt-out and not be bound by the arbitration and class action waiver provisions set forth in this Section by sending written notice of your decision to opt-out to the following address: 4500 S. 129th East Avenue, Ste. 200, Tulsa, OK 74134-5885 USA. The notice must be sent within thirty (30) days of making a purchase through the Service, otherwise you shall be bound to arbitrate disputes in accordance with the terms set forth above. If you opt-out of these arbitration provisions, we also will not be bound by them. In addition, if you elect to opt-out of these arbitration provisions, we may terminate your use of the Service. If we terminate your use of the Service, we will provide you with a refund of any fees you have paid and not used in connection with the Service within thirty (30) days of the date of the applicable termination.

- 22. Amendments.** These Terms of Use may be amended by the Company from time to time. We will post any material changes to these Terms of Use on the Site with a notice advising of the changes at least thirty (30) days before the effective date of the changes. If you have provided us with your email address we will also notify you of material changes to these Terms of Use by sending an e-mail at least thirty (30) days before the effective date of the changes to the e-mail address you most recently provided to us. You may cancel your account prior to the end of the applicable thirty (30) day period by contacting us using the contact information in Section 32 below. If you choose to cancel your account within this thirty (30) day period, you will not be bound by the terms of the revised Terms of Use but will remain bound by terms of these Terms of Use, and, within thirty (30) days of date of cancellation, we will provide you with a refund of any fees that you have paid and not used prior to the date of cancellation. We encourage you to keep the email address you provide to us current, and to promptly notify us of any changes, so that you may receive any notices we send to you regarding material changes to these Terms of Use.

23. **No Oral Modifications.** Employees of the Company are not authorized to modify these Terms of Use, either verbally or in writing. If any employee of the Company offers to modify these Terms of Use, he or she is not acting as an agent for the Company or speaking on our behalf. You may not rely, and should not act in reliance on, any statement or communication from an employee of the Company or anyone else purporting to act on our behalf.
24. **No Third Party Beneficiaries.** These Terms of Use are between you and the Company. There are no third party beneficiaries.
25. **Independent Contractors.** No agency, partnership, joint venture, or employment is created as a result of these Terms of Use and you do not have any authority of any kind to bind the Company in any respect whatsoever.
26. **Non-Waiver.** The failure of either party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further rights hereunder.
27. **Force Majeure.** The Company shall not be liable for any failure to perform its obligations hereunder where the failure results from any cause beyond the Company's reasonable control, including, without limitation, any mechanical, electronic or communications failure or degradation.
28. **Severability.** If any provision of these Terms of Use is found to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that these Terms of Use shall otherwise remain in full force and effect and enforceable.
29. **Assignment.** These Terms of Use are not assignable, transferable or sublicensable by you except with our prior written consent. We may transfer, assign or delegate these Terms of Use and our related rights and obligations without obtaining your consent.
30. **Entire Agreement.** These Terms of Use supersede all prior and contemporaneous agreements, representations and warranties and understandings, whether oral or written, with respect to the Service or the contents of the Site. Modifications to the Terms of Use that are not posted on the Site are not valid unless made in writing and signed by an authorized representative of the Company. In the event of any conflict between these Terms of Use and any other agreement or understanding related to the Service, these Terms of Use shall control.
31. **Notices.** In the case of notices we send to you, you consent to receive notices and other communications through posting of notices on the Site, or with regard to materials changes to these Terms of Use or the Service, sending you an email at the email address you provided to us, or mailing a notice to you at the mailing address you provided to us. You agree that all agreements, notices, disclosures, and other communications that the Company provides to you in accordance with the prior sentence satisfy any legal requirement that such communications be in writing.
32. **Contact Us.** If you have any questions about these Terms of Use or your account, you may contact us by email at genesis.support@navico.com or by postal mail at 4500 S. 129th East Avenue, Ste. 200 | Tulsa, OK 74134-5885 USA

Except for material that Microsoft may license to you, Microsoft does not claim ownership of the content you post or otherwise provide to us, which is hosted by Microsoft or a third party hosting provider on

Microsoft's behalf, related to the Services (called a "Submission"). However, by posting or otherwise providing your Submission (and for the avoidance of doubt, where Microsoft hosts content on your behalf including by a third party hosting provider, this constitutes a Submission, but where you host or a third party hosts content on your behalf, other than Microsoft or a third party hosting provider on behalf of Microsoft, this does not constitute a Submission), you are granting to Microsoft free permission to use, copy, distribute, display, publish, transcode and otherwise modify your Submission, each in connection with the Services, and sublicense these rights to others in order to provide the Services. For every Submission you make, you must have all rights necessary for you to grant the permissions in this section.

6. Application-specific terms.

The terms in Sections 1-5 above apply generally to all Bing Maps ISV Applications. This Section 6 includes application-specific terms depending on which SKU the Bing Maps Licensors has included in its Application, and are in addition to the terms above. These application-specific terms govern if there are any conflicts with the terms in Sections 1-5 above.

(a) Light Known User

- "Application-Specific Services" means Bing Maps Platform APIs (except Premium Services)
- Your license does not include the right to use Premium Services.
- You must acquire the appropriate Subscription License for each Known User (or Light Known User) that accesses the Application. Known Users (or Light Known Users, as applicable) are permitted to access the Application for the purpose of displaying maps and related information in an Application.
- Light Known Users may overlay administrative boundaries or other map content provided in the Application, provided that you do not use the Application for:

- (i) loading additional map content layers of any kind;
- (ii) editing or creating map content. For avoidance of doubt, simple annotations such as a line, arrow, polygon or circle to highlight an area are allowed and not considered to be map content under this restriction; and
- (iii) executing any spatial query other than proximity (find the nearest), point-in-polygon, distance between two points or as provided by the find and route services. For avoidance of doubt, the Application may not perform Geofences, buffers or query a spatially enabled database.
