Re: Price Increase Due to 301 Tariff Case

Valued Anvil Customers,

This week the United States administration acted on the most recent 301 case and has imposed a 10% tariff on a number of goods imported from China; including the ones Anvil imports from China. This tariff will go into effect Monday September 24th on all shipments entering the U.S.

Since this 10% tariff is immediate and includes all product not already landed at a port of entry, we will not be able to give a full 30 day notice and will implement the increase on the products affected Monday, October 8th.

Anvil is fortunate, through the support of our customers, to continue being able to offer domestically made products. We will review all options available from overseas to continue to bring you the best products in the industry.

The following price sheets will increase 10% effective Monday October 8th:

Product Line	Average Increase %	Price Sheet
SPF Cast Iron Fittings	10%	SPF.CI-10.18
SPF Ductile Iron Fittings	10%	SPF.DI-10.18
SPF Malleable Iron Fittings	10%	SPF.MI-10.18
SPF Welded Steel Pipe Nipples	10%	SPF.PNW-10.18
SPF Extra Heavy Seamless Pipe Nipples	10%	SPF.XHPNS-10.18
SPF Grooved Fire Products	10%	SPF.GRFP-10.18
SPF Fire Protection O-Lets	10%	SPF.OLET-10.18
SPF Forged Steel Fittings & Unions	10%	IMFS-10.18

Effective October 8, 2018, prices will increase for all orders placed after Friday, October 5, 2018. Prices will be updated automatically in the Anvil International billing system on the effective date of October 8, 2018. New excel list price sheets will be available for download on the Anvil website, www.anvilintl.com, on Friday, September 21st. Please contact your local Anvil sales representative with any questions.

In addition to the announced 10% tariff, the current administration has also announced that an additional 15% tariff will be imposed effective January 1, 2019.
