Valued Anvil Customers,

Effective September 4, 2018, prices will increase 12% for all Anvil-Strut due to escalating steel prices on orders placed after Friday, August 31, 2018. Prices will be updated automatically in the Anvil International billing system on the effective date of September 4, 2018. We will not be issuing a new list price sheet since **only channel is impacted at this time**, please contact your sales rep for new discounts or net prices on channel. **Steel is on a limited supply at the old cost so any large orders should be reviewed with your Anvil sales representative for availability.**
