CLOSING KEYNOTE SPEAKER

Presenter: Elder Doreen Spence

Born in the Cree Nation of Saddle Lake in Northern Alberta, Doreen Spence was raised by two Traditional Cree Elders, her grandparents. Elder Spence has been a strong advocate for human rights. She was invited to sit as a committee member on the working group that developed the draft United Nations Declaration on the Rights of Indigenous Peoples. The committee met over a twenty-year period to craft the declaration, eventually leading it to adoption by the United Nations General Assembly in 2007. On May 10, 2016, the declaration was officially adopted by Canada.

Elder Spence was also nominated for a Nobel Peace Prize. Join us in a conversation with Elder Spence about the role recreation, parks, and wellness can play in this important collaborative journey towards reconciliation.
