Supplemental Training for

Seasonal Employees

We know recreation professionals strive to offer services and environments that are equitable, inclusive, and healthy. That's why Communities ChooseWell has curated these FREE resources to support training of summer camp and seasonal staff:

Communities ChooseWell Free Resources:

eCourse Module: Intro to Equity Diversity and Inclusion

This module provides you with skills to help create safe, welcoming, and inclusive recreation settings.

Start Learning!

eCourse Module: Healthy Eating in Community Spaces

This module explores ways to bring healthy food and drinks into community spaces, cultural events, and programs.

Healthy Communities Framework: People Pillar

This Pillar focuses on how people are the building blocks of our communities and should inform the work we do!

People Pillar

Together let's make recreation equitable and inclusive to all diverse participants by building our awareness and understanding of health and EDI in recreation settings!
