

# Communities in Bloom

## 2015 Registration Form

Communities in Bloom Alberta is now accepting registrations for the 2015 Provincial program. **Please submit the application form before March 31, 2015.**

Communities may participate in one of two categories:

### **Competitive:**

- Communities are grouped according to population size and evaluated by trained volunteer judges using a standard evaluation form.
- The winning community in each population category is determined by the highest score.

### **Friends (Non-Competitive):**

- The Friends category is a way for communities to participate without the pressure of competition. Communities are not grouped according to population size and no winner is declared in the Friends category.
- Communities can choose to participate with or without an evaluation.
- Communities who choose to participate without an evaluation are required to be evaluated at least once every three years.

Please visit our website at [www.cib.arpaonline.ca](http://www.cib.arpaonline.ca) for more information about participation categories.

### **The benefits of participating in the program are:**

- Being part of a provincial and national program,
- Receiving information and evaluation feedback to improve your community,
- Opportunities to improve your community's quality of life,
- Increase in civic pride and community involvement, and
- Receiving an invitation to attend the provincial and national award ceremonies.

Communities should be prepared for evaluations to take place between mid-July and mid-August.

Communities being evaluated must provide lodging for one night for two judges (billeting is acceptable).
