

Communities in Bloom

2015 Alberta Awards Hosting Application

Communities in Bloom Alberta is now accepting applications from communities who are interested in hosting the 2015 Provincial Awards on **Saturday, September 12, 2015**.

In general, interested communities should be capable of hosting a silent auction and banquet dinner for approximately 175 - 200 persons at a venue suitable for presentation of the awards. The host community should be able to confirm the availability of a reasonable supply of accommodations (e.g. motels; B&B's) available in the community and the surrounding area.

The local organizing committee will be expected to work with the Provincial Coordinator to organize an afternoon of activities and programming for those attending (e.g. tours; workshops; seminars). The total proceeds from the silent auction are retained by the host community to assist in offsetting the cost of the dinner and other local CiB projects.

In addition to working with the identified date (**Saturday, September 12, 2015**) the "Host Community" will be expected to register (at no cost) in a non-competitive category of the 2013 Communities in Bloom program.

Please indicate your community's interest by completing a Provincial Awards Hosting Application Form (see attached) and submit it along with a brief letter explaining why your community would like to host the Provincial Awards in 2015.

All communities who apply to host the 2015 Awards will be advised as to the outcome of their application.

Please don't hesitate to contact me if you have any questions or require clarification on any aspect of the above call for applications to host our 2015 Awards event.

Yours sincerely,

Karen Snethun

Provincial Coordinator
