Dear Fellow Scouters,

Thank you for making the decision to become a volunteer in Arrowhead District. I honestly hope that you enjoy your time serving the Scouts in your units and know that your time and energy is greatly appreciated.

This Arrowhead District Planning Book is the combined effort of many individuals. All of us hope that it will serve as a valuable tool in helping you do annual program planning for your units, and help you deliver a great program to the youth. When you create your unit calendars, please use this book as a guide to include District and Council events, to offer training opportunities to your leaders, and to avoid schedule conflicts that might cause the Scouts to miss out on activities.

Use this booklet as well as the Council generated Program Planning Guide (download: <http://nhscouting.org/>) to create your unit's custom program. The online calendar can be viewed at <http://nhscouting.org/events/> and is another valuable resource presenting opportunities for training, camping at our Council camps, and fundraising information.

The Arrowhead District Leadership contact information is included. Please note that everyone except for the District Director are also volunteers. Many are involved as leaders in their own units as well as being part of the District staff and are dedicated to making the Scouting program in Arrowhead District the best that it can be! The Arrowhead District Committee is here to be a resource for you. Let us know your needs and we will do what we can to provide the help that you need. We are all in this together – we are all Arrowhead District! Remember our Scout Oath to “help other people at all times”.

Thank you all for your generosity with your time and talents in promoting the Scouting program for the benefit of the youth in our District. Whether you realize it or not, you are making a profound impact on the lives of many that will have lasting benefits for years to come. As you do your valuable work, remember to set the example for our Scouts by personally adhering to the Scout Oath and Law. And as you do your Scouting, have fun. Make it fun for both the Scouts and yourselves!

Yours in Scouting,
Steve Spaziani

Glossary of District Terms

Roundtable – Is held the 2nd Wednesday of every month. Every Pack or Troop sends representatives to get the latest information from the District Staff about upcoming events. This is also the chance to meet other leaders and ask what fun adventures & events that they have done with their Pack, Troop or Crew. Crew officers are encouraged to attend.

District Staff – are volunteers (like you!) who work to give a great, fun, safe scouting experience to the youth in the area. Please see the contact info in this book and do not hesitate to ask for help. The District volunteers have over 200 years of scout knowledge between them. We have members of Boy Scout National, Council, and District committees in this group of dedicated scouters.

Scouter – any adult that volunteers in the Scout program.

Glossary of Cub Scout Terms

Chuckwagon – is a competitive activity. A group of 4-8 (no more than 9) Cubs (from all ranks) pulls a Chuckwagon around course and does 9-10 games/activities. The Chuckwagon contains items that are used by the Cubs in the games. The boys **must** do the games without parental help. **A PACK Coordinator is required**, and **registers** the PACK for the event.

Cub Scout Fun Day – is a non-competitive event. Cubs may register with a Den or alone. No Pack coordinator is needed.

Cub Day Camp – **A PACK Coordinator is required**, and **registers** the PACK for the event. Drive your Cub(s) to our Day Camp and they can enjoy the outdoors, activities like BB's, and get them away from the electronic games at home. Discounts are available for parents that are Den Leaders at DAY Camp. Den Chiefs are always welcome! (Pack lunches!)

Family Camping – Come to Camp Carpenter and camp with us! You bring your blankets or sleeping bags, and we provide the tents, food, and fun. Some of the camp facilities are open, like Archery, Pirates Cove or the Fort, BB's and others!

Resident Camp – Is where your son sleeps in a tent at Camp Carpenter and enjoys all the activities there **A PACK Coordinator is required**, and **registers** the PACK for the event

Scouting for Food – is held the first 2 weekends in November. It is the Scouts' Nationwide Service Project. First weekend we put out door hangers asking folks to donate food. The following weekend we pick it up. Pack Coordinator is recommended.

Lion & Tiger Cub Fun Day – is a non-competitive event. Cubs may register with a Den or alone. No Pack coordinator is needed.

Webelos Alley – For Webelos/AOL ONLY. Is a competitive event held the first weekend in February at the same time as the Klondike Derby. The boys pull winter sleds around a course and do events/games. There are ribbons awarded for the top 3 Dens. **A PACK Coordinator is required**, and **registers** the PACK for the event.

Webelos/AOL Campout – Parents/guardians camp with their Webelos cubs at Fall or Spring camporees. **A PACK Coordinator is required**, and **registers** the PACK for the event. The coordinator works with the local Boy Scout Troop to handle meals & camping space. The Webelos should eat with a Patrol, parents eat with Troop Leaders.

Glossary of Boy Scout Terms

Camporee – Is a competitive event held in the fall & spring. The Patrols of 4-8 Scouts traverse a course where they compete in scout skills like first aid, or orienteering, and in fun games like paintball or obstacle course. The theme varies from year to year. The events **always** include scout skills. **A Troop Coordinator is required**, and **registers** the Troop for the event.

Klondike Derby - Is a competitive event held in the February. The Patrols of 4-8 Scouts pull a dog-sled around a course where they compete in scout skills like first aid, or orienteering, and team building games. The theme varies from year to year. **A Troop Coordinator is required**, and **registers** the Troop for the event.

Scouting for Food – is held the first 2 weekends in November. It is the Scouts' Nationwide Service Project. First weekend we put out door hangers asking folks to donate food. The following weekend we pick it up. Pack Coordinator is recommended. A Troop Coordinator is recommended.

Resident Camp – Is where your son sleeps in a tent at Camp and enjoys all the activities there. **A Troop Coordinator is required**, and **registers** the Troop for the event.

Glossary of Venture Crew Terms

Moot – Gathering planned by VOA (Venturing Officers Association) youth held in the fall.

Zenith – Area Venturing event planned by VOA.

It is the responsibility of the activities and civic service committee to support units through the planning, promotion, and operation of multi-unit events that supplement, but do not supplant, unit program.

A district activities committee does the following:

1. Plans and promotes a well-balanced schedule of district events, and recruits teams to carry them out.
2. Decides how Scouting can become involved in selected needs and interests of communities in the district. Helps Scout units take part in community service projects in such a manner that youth members learn qualities of good citizenship.
3. Plan and promote Good Turn for America projects at both a district and unit level.
4. Promotes and assists with the planning of council events (such as the council show or Eagle Scout dinner).
5. Promotes and carries out the district's share of national events (such as Scouting Anniversary Week or a national jamboree).
6. Conducts an annual poll of unit leaders to determine unit needs and interests for district activities.

"It is the mission of the Arrowhead District Commissioner Service to help Scout units provide a quality program for their members. In doing so the values of Scouting will be brought to more youth, more effectively."

Commissioners provide important leadership to ensure quality Scouting. We advise, mentor, coach, counsel, and recommend, to help YOU make scouting a great place for your youth.

We need YOUR leadership experience! Become a commissioner and make a difference by:

- Bringing Scouting to more boys
- Developing new leaders
- Sharing your experiences

The commissioner service is looking for men and women volunteers who would like to help Scouting by sharing their knowledge and experiences with other Scouters.

Successful Scout units do not just happen. They are made. They are made by leaders who are trained, coached, and counseled along the way by those who went before them. You probably had someone help you as you learned how to be a Scout leader so you know how important it is to have guidance in developing a successful Pack, Troop, Team or Crew. The leadership training philosophy is to provide adult leaders with fundamental information about the aims and purposes of the movement, as well as specifics about their particular roles in Scouting. Family Friends of Scouting

Committee - Chair Chris Cooper

(978) 495-2907

chris_cooper_iphone@yahoo.com

Help support your local camps & programs!

Friends of Scouting is a critical yearly fundraising campaign that assists the Daniel Webster Council in offsetting program costs and providing quality service. The true cost of Scouting is much greater than what local dues and event or camping fees cover.

All packs, troops, teams, and crews are encouraged to participate in the campaign in the first quarter of every year to give families the opportunity to contribute. Requests are also made to local business and community supporters through district and council community campaigns. Schedule your presentation as part of your annual calendar planning and encourage participation - everything helps to support a strong Scouting program in the Arrowhead District.
