

TERMS OF ATTENDANCE IN INTEGRATION DAYS 2019

The following includes important information about processing of your personal data. By attending Integration Days 2019 (ID2019), you acknowledge and accept the following terms of attendance.

As attendee to ID2019, we collect some personal data about you. This includes primarily the information you submitted in connection with registration to the ID2019, but may also include other information collected prior to or during ID2019. In the context of the European Union General Data Protection Regulation (EU) 2016/679 (GDPR), Enfo is the Controller of such information and any third party supplier of Enfo, as the case may be, is a "Processor" of such information. All of your personal data is governed under the GDPR and Enfo's Privacy Policy available from the following link:

<https://www.enfogroup.com/privacypolicy>

We have made written data processing agreements with all Enfo's suppliers involved in organizing ID2019. We have also invited selected third parties as sponsors/partners of ID2019 (event partner(s)). However, we do not share any of your personal data with such event partners.

Your ID2019 name badge includes your name and some other information about you. Additionally the QR code includes your contact information, which you submitted in connection with the registration to ID2019. At your consent, ID2019 event partners may scan the QR code and this received your personal data for the purpose of follow up on such interactions. That constitutes a transfer of personal data between you and the respective event partner (the event partner being the "Controller" within the meaning of the GDPR) and Enfo is not party such transaction. Each event partner has their privacy policy available at the event stand.

Enfo and/or third parties may take photos or video/audio recordings (including live streaming) at the event. Such photos or recordings taken by Enfo may be used in media (including print media, Internet, social media) for Enfo's marketing or promotional purposes, as customary. Enfo shall not transfer, assign or license any such photos or recordings to any third party (except solely for Enfo's suppliers assisting in Enfo's marketing and promotion). We are not liable for the use photos or video/audio recordings taken by any third parties at ID2019 or otherwise.
